Our Bible Fun Factory Lesson Plans are "the essentials". The lessons that every single Christian child between 4-12 needs to be taught. In this series of five lessons, we help children focus in on some of the Ten Commandments which they are most likely to need for a daily walk with God. We teach children what modern day idols are and how to avoid them. You Shall Have No Other Gods Before Me. The Sabbath is as important as it always was, even in these busy times, as taught in Remember the Sabbath to Keep it Holy. Children learn about the love of God by comparing it to the love of parents in Honoring Father and Mother. Thou Shalt Not Lie and Thou Shalt Not Steal provide ammunition to fight temptations among children. Lesson 1: Thou Shalt Have No Other Gods Before Me Lesson 2: Remember the Sabbath Day By Keeping It Holy Lesson 3: Honor Thy Father and Mother Lesson 4: Thou Shalt Not Steal Lesson 5: Thou Shalt Not Lie We have 3 core beliefs when we create Bible Lesson Plans: 1) They should be EASY for the teacher and FUN for the child. 2) They should actually TEACH the child bedrock principles of the Christian Faith and the Bible. ----- Each of the Lessons Include: -Materials List (Don't worry, nearly everything can be gathered up at a moments notice from your own house. For example, you might use a paper plate for the "Thou Shalt Not Lie" lesson.) -Scripture Reading (we put the scripture reading in the lesson, to make it easy!) -2 Games (Kids LOVE games, each game teaches an important element of the overall lesson and lets the kids get up out of their seat and move around. Typically children 4-7 and another for the 8-12 year olds) -2 Intro Activities (These activities get the kids engaged in the lesson and help to fill the time as kids trickle in.) -2 Lesson Activities (These activities vary from object lessons, crafts, treasure hunts, and more) -Closing Prayer (Our closing prayers are each designed to leave the kids with a particular thought to ponder during the lesson). ----- Class Length: The lessons are designed to run for one hour, but can easily be expanded to cover more time if needed. Age Level: The lessons include age-appropriate activities, discussion, and questions for children ages 4-12. Equally effective with mixed age groups or single ages. Preparation: Each lesson was designed to be taught after only 5-10 minutes of prep time. You don't need to go around collecting craft materials or spending an hour before class getting organized. You can literally "glance & go". Denomination: Our lessons can be used by churches of all denominations, as the topics covered are truly the foundation of Christianity.

Daily encouragement for parents who realize the things they want most for their kids are things only God can do . . . so they pray. As parents we want to protect our children; we want them to move forward in life; most importantly, we want them to take hold of and grow in Christ. And while the advice offered by parenting experts can be helpful, at some point we realize there are no simplistic formulas or sure-fire methods. We need wisdom from God's Word for this all-important task. In The One Year Praying through the Bible for Your Kids, trusted author Nancy Guthrie weaves together wisdom and insight from each day's reading in The One Year Bible, providing encouragement through the triumphs and turbulence of parenting. Day by day you'll find your dreams and desires for your children are becoming shaped more by Scripture than by the culture around you. Worry less, pray more, and help yourself to a daily dose of perspective, hope, and grace as you parent.

This book will explore and define biblical and contemporary images of prayer. All the sessions exploring prayer will be based upon God 's relationship with humans as the ground of all prayer and the essential human need to reach toward God that leads to prayer. Readers will explore definitions of prayer, a variety of scriptures that show Jesus teachings and practices related to prayer, methods of prayer, aids to prayer, the varieties of individual and communal words, needs, and emotions that form the content of prayer, ways people interpret answered or unanswered prayer, and the unity between prayer and human action. The book will invite readers to reflect upon questions like: Why do we pray? What is God 's role in prayer? the human role? How is God 's grace involved in prayer? What is prayer? What did Jesus teach about prayer? How do we pray? What do we pray? What is an attitude of prayer? How does God answer prayer? What difference does prayer make in our lives? Have I been praying all along? What happens in the quiet times of my week? In the busy times? Is prayer possible in both quiet and busy times? Why do I feel like I don t have time to pray? Do I need to make time for prayer? How? The book will affirm persons and groups who struggle with an understanding of prayer or with a style of prayer. Catholic school leaders and teachers will love this book! It has everything-absolutely everything-they want and need to know about prayer in school. Sr. Kathleen is a veteran teacher and it's clear that she has "been there and done that" with great joy and enthusiasm. But she knows that not every teacher feels secure about praying with a class, even though they know it's important and realize that parents entrust them with this responsibility. And she also realizes that certain Catholic prayer forms are a mystery to them. On the other hand, there are those who feel very comfortable teaching prayer but are looking for fresh ideas.
