What is Christian Satanism? It is a gray sided belief. It isn ’ t a thing of heroes and villains but for those who more naturally fit in between. Gray sided things are so uncommon that there are very few terms to be found for them. There are words for heroes and villains but not any one who would be in between those. Gray magic is seldom discussed. There is heaven and hell- but for us there is earth. Christian Satanism is here to establish the first gray sided people, The Christian Satanist.

Historians have tended to point to John F. Kennedy’s 1960 bid for the presidency as the first time a candidate relied extensively on public opinion polls to drive a campaign. Polling has come to define American politics, and is perhaps most clearly embodied in Bill Clinton, the post poll-driven president in history. Melvin G. Holli dismisses this notion, however, and reveals that presidential reliance on public opinion polls dates back to the New Deal Era, when Franklin Roosevelt employed a first-generation Finnish-American named Emil Hurja to conduct polls for this 1932 and 1936 presidential campaigns. Holli shows us how Hurja convinced the Democratic National Committee to allow him to apply the new science of polling FDR’s presidential campaign of 1932. Roosevelt’s triumph at the polls in that year and again in 1936, as well as the spectacular 1934 Democratic mid-term congressional victory was legendary. Holli restores Hurja to his rightful place in American history and politics, showing us that the Washington press corps were right on target when they dubbed Hurja the ‘Wizard of Washington’.

As peace returns to Avalon, Tamwyn, Elli, and Scree discover a terrifying new threat: The warlord Rhita Gawr has set out to conquer Avalon as well as mortal Earth. Racing against time, the friends embark on three separate quests. To succeed, they must solve Avalon’s most elusive mysteries. And they will need to travel vast distances—both in their world and in their own hearts.
