Are you sick and tired of destructive thought patterns ruining your life? Have you tried all the mindfulness books & meditations but nothing seems to work? Do you finally want to say goodbye to never feeling whole in your life & discover what ACTUALLY works for you? If so, then it's not by chance that you stumbled upon these words. You see, growing spiritually & becoming self-empowered at rapid speeds doesn't have to be difficult, even if you've consumed every other mindfulness book & Youtube video already. In fact, it's easier than you think. A study conducted by Columbia & Yale neuroscientists reveals how spiritual experiences felt by a group of subjects were generated into tangible evidence. They scanned the subjects' brains while the spiritual phenomena was happening. The results showed that there was a "space in the brain" for spirituality! When you connect to a higher source other than yourself (god, universal energy, nature) a certain part of the brain is VISUALLY activated. Know what this means? It means that your past doubt has been overruled; your spiritual experiences are REAL! – It's time to boost your self-power into the stratosphere. Here's just a tiny fraction of what you'll discover! The scientifically researched method to clearing your past trauma & conditioning with just one hand Rapidly effective tools to awaken your divine feminine energy & finally stop caring what others think The easy to do, at home tactic for crushing insecurities that no one is talking about How those closest to you may be enlaving your potential & amazing secrets to buzzsaw the chains off The overlooked childhood programming that has been manifesting into your downward spiral of depression Why you're really being triggered & the secrets to feeling whole again (in ACTUALLY works!) Many women focus on their performance, expecting that if they excel and accomplish the most, they'll get the promotions and recognition they deserve. And yet, all too often, women are outsiders to the networks of power and influence where the decisions are made that affect their careers. They may view politics as dirty; they may be slow to self-promote, build and nurture relationships with key stakeholders, and seek sponsorship. The result? They get blindsided, experiencing deep disappointment when their hard work alone doesn't pay off with an anticipated promotion or raise. Ambitious women understand they must play politics, but how can they learn to do it successfully? The Politics of Promotion demonstrates to women the importance of understanding workplace politics and provides them with the necessary tools to successfully navigate the political realities of their organization. While there are many books that advise women to be more assertive and embrace their ambition, and books that address office politics, there is little information focused specifically on how women can successfully navigate the politics in the current work environment. The Politics of Promotion provides a unique and proven method to guide women through the complexities of office politics, so that they can avoid a political "blindside" that may sabotage their career.

Pandora's Box has finally been opened, and years and years of hidden secrets are now flying out for the entire world to hear! How to Do a Stevie is a step-by-step personal playbook that gives men a "heads up" and a sneak peek at the inside world of a sexy profession filled with a commodity of untamed, fancy-free women who fly, otherwise known as "The Stewardess," and the topsy-turvy world they live in. Filled with priceless tips and tactics, to dos, and taboos that will give any curious man the confidence to land his own Susie Steev-not just ring her bell! This hot-topic tabloid is a humorous "cookbook" geared towards men, filled with juicy, insider information and savory secrets on how to get a date, be a great mate, and with a little luck...permanently land a salacious Stewardess of your very own. It's an easy-to-follow template for those who are tired of striking out in the game of love; filled with defensive moves and clever strategies that'll enable even the slightest of men a grand slam home run! It's fresh and hot and "fun-damental." Available in print for the first time are the basic tools to make your "Fantasy Dream Steev" come true! A farm girl at heart, Dr. Lee was raised in the Great Northwest with fresh air, wide open spaces and blue skies as far as her eyes could see. Encapsulated as a Stewardess for the past 27 years, she has earned her honorary "Love Jet Fly-charism" degree from the School of Hard Knocks and Landings. After decades of research; listening and comparing her Sister Steevs' endless tired tales and non-stop stories; difficult issues of life on the road, love or lack of, and the struggle to find balance both on and off the airplane, she began to write. Her quick wit, combined with hope and a desire to help, led her to compile a "comic book of relief" for men and women of all ages to enjoy. Included are inside secrets and tips on how to have a healthy, balanced relationship from take off to landing, as well as a rare peek for all to see, into the intriguing world of the elusive "Fantasy Steevs" This book explores researcher identity related to insider/outsider roles regarding the groups studied. Scholars use various research methods and discuss the value of insider/outsider perspectives, problems faced as insiders and outsiders, strategies to overcome related obstacles, and implications for advocating on behalf of a group being studied.

Der Games-Markt in Deutschland zählt ca. 26 Millionen Spielern und Spieler. Obwohl in Deutschland sonst fast jede dritte Person spielt und mittlerweile fast die Hälfte der Spieler weiblich ist, ist die Games-Industrie stark männerdominiert. Wie jedoch wurden Frauen, die in der Computerspiel-Industrie Karriere machen oder gemacht haben, selbst ihren Beruf beschreiben? Bisher ist wenig über ihre Biografien, Karrieren, Einstellungen und Ansichten zur Branche bekannt. Um Antworten auf diese Fragen zu finden, wurden Experteninterviews mit Frauen geführt, die in der Games-Industrie arbeiten. Ziel der Experteninterviews war es, Entwicklungspfade sowie Chancen und Herausforderungen für Frauen in der Games-Industrie aufzudecken.

The Insider's Guide to the Colleges has been, for 38 years, the most relied-upon resource for high school students looking for honest reports on colleges from their fellow students. Having interviewed hundreds of their peers on more than 330 campuses and by getting the inside scoop on everything from the nightlife and professors to the newest dorms and wildest student organizations, the reporters at the Yale Daily News have created the most candid college guide available. In addition to the well-rounded profiles, this edition has been updated to include:
• Essential statistics for every school, from acceptance rates to popular majors
• A "College Finder" to help students zero in on the perfect school
• FYI sections with student opinions and outrageous off-the-cuff advice
The Insider's Guide to the Colleges cuts through the college brochures to uncover the things that matter most to students, and by staying on top of trends, it gives both students and parents the straightforward information they need to choose the school that's right for them.

Women in Media Careers takes an in-depth look at women's careers in mass media by outlining job descriptions and providing insider tips on how to begin a career. By investigating positions held by women in top media-owning conglomerates, authors Lee Bollinger and Carole O'Neill assert that while women in the media still struggle against the impenetrable glass ceiling, vibrant changes in the industry have left that ceiling more permeable than ever. Women are inching their way into the executive positions at top media conglomerates making them major power players in the industry. After comparing employment data from the Bureau of Labor Statistics, the Equal Employment Opportunity Commission, and the top Fortune 500 media companies, Bollinger and O'Neill emphasize that despite the great odds set against women, they are succeeding in blazing a career path in mass media. Also discussed are the extraordinary women of the media industry who have gone beyond all boundaries and have succeeded in multiple genres of media or entertainment. Informative and inspiring, Bollinger and O'Neill's encouraging book offers women a reliable resource on the career opportunities in the mass media industry and how they can succeed in securing a position at the top.
