Antique dealers and collectors are quite aware that bargains are getting harder and harder to come by each and every day. Schroeder's Antiques Price Guide is still a real bargain at \$12.95. Collectors, dealers, and our customers continue to ask how we can produce this huge 612-page book each year for such a low price. It's simple -- we do it by numbers. It's no secret with publishing that the more you print, the less expensive each book is. So, thanks to all our loyal customers who continue to buy our #1 bestselling title, we are able to keep the retail price low without sacrificing one bit of quality. That is why you get the best for less. In August 1999 we will begin shipping the 18th edition of America's top antiques price guide. Once again we have included over 50,000 listings, each one from all-new sources and carefully checked by an authority on each particular subject. These 600+ expert advisors make sure only the best and most accurate information remains. Hundreds of sharp original photographs illustrate not only the rare and unusual, but also the common collectibles -- not postage-stamp photographs, but large, close-up shots that show important details clearly. Thanks to Antiques Roadshow, the highest rated, long running prime-time series on PBS, with millions of viewers a week, we are a nation seeking fortune in our attics. And thanks to Antiques Roadshow Primer, with 572,000 copies in print, we are highly antiques-literate. But there's another audience out there, too, showing up ever more frequently on Antiques Roadshow--those obsessive, bitten-by-the-bug collectors. Bring on the "Maltese Falcon" posters! Celebrating the collectible--that 20th-century object that brings with it less monetary value than passion, nostalgia, quirky appeal, and just plain pleasure--ANTIQUES ROADSHOW COLLECTIBLES focuses on 12 major areas that inspire both the thrill of the chase and the thrill of discovery: furniture, photographs, posters and illustration art, costume jewelry and wristwatches, dolls, toys, advertising memorabilia, sports, glass and pottery, and more. A guide to value rather than price, it is packed with a wealth of information that will help turn any interested flea market fiend into a first-class collector. From the innovative design of Bertioia chairs to the high-quality crafting of costume jewelry to the surprising variety of PEZ dispensers, here are 416 pages brimming with information. Bound into the book is a 32-page full-color section, while hundreds of black-and-white photographs illustrate every chapter. There are Antiques Roadshow discoveries, tips from experts and appraisers, the steps to becoming a focused collector--even how to use pieces without compromising their value. After all, isn't it more fun to eat off the Fiesta ware?

A direct, simple and factual guide for collectors, dealers, and the antiques and collectables trade, as well as for those looking for pleasure and perhaps a better investment than found with contemporary pieces. The latest edition includes some Canadian-only categories new to any available price guides: The Medalta and Medicine Hat Potteries, Alberta Altaglass, Piggy Banks from the Reliable Toy Company of Toronto, and an update and corrected history of W.J. Hughes Canadian Cornflower Glass.
