Sex, adventure, and wild rides—some literal, some journeys of the mind and heart. There's something for everyone here. How about a mechanical bull at a country-and-western bar in 1980s Amsterdam? An army jeep in Vietnam in the 1960s? A Chinese pirate ship far out in the Pacific in the 1930s? A hot air balloon soaring above post-Civil War Wyoming? These rides transport you through time as well as space. In more contemporary settings, you can find pent-up passion behind prison walls, a reunion of rivals in a steamy sauna, and a couple both wounded and bonded by modern warfare. There's plenty of lust and banter, as well as mighty draft horses at a county fair, and a visit with honeymooners in Paris with a fetish for gargoyles. Add a ghost story on a Montana ranch, a lovely vampire in the Old West, the occasional dragon, a noir tale of sex, life, and afterlife in New York City, and you'll find a variety of characters and settings with a seamless merging of sex, romance, and narrative. Join Lambda winner Sacchi Green for a ride through the second collection of her own work.

What is it about lesbian cops that push all the right buttons? Sure, there's the uniform with handcuffs, gun, and billy club, and the confidence, authority, and sense of danger. But there's something more that gives these uncompromising women their commanding, overwhelming sexuality. The top-flight fiction writers tapped by Lambda Award-winning editor Sacchi Green in Women with Handcuffs capture that irresistible force -- and channel it into fiercely erotic stories. Delilah Devlin's cops play their "Only Game in Town" in a Southern city that's small without being small-minded. Elizabeth Coldwell's handcuffed stripper in "Torn Off a Strip" meets her match, while Lynn Mixon's witness protection marshal finds (and gives) a "Healing Hand."
