

## Beyond Redemption

*Isabella lives on the grand estate at Brayfield House, where her governess mother is employed, but when she is traded to pay off her father's gambling debt, there must be consequences and she has to discover if her father truly is beyond redemption. Set against the backdrop of Georgian England, BEYOND REDEMPTION is a tale of seduction, rejection and tragic circumstances. But all is not what it seems as they fight trickery and cunning along the way. In the wake of something dreadful, Isabella's strength of character helps her through some of the darkest times of her life. Brace yourself for hairpin twists and edge-of-seat suspense. What if your tomorrow turns out not as you have expected. Could you turn your life around? Will justice and law win through.....? This is the first book in Alex Hudson's REDEMPTION trilogy.*

*In the months after the end of the Civil War, there was one word on everyone's lips: redemption. From the fiery language of Radical Republicans calling for a reconstruction of the former Confederacy to the petitions of those individuals who had worked the land as slaves to the white supremacists who would bring an end to Reconstruction in the late 1870s, this crucial concept informed the ways in which many people—both black and white, northerner and southerner—imagined the transformation of the American South. Beyond Redemption explores how the violence of a protracted civil war shaped the meaning of freedom and citizenship in the new South. Here, Carole Emberton traces the competing meanings that redemption held for Americans as they tried to come to terms with the war and the changing social landscape. While some imagined redemption from the brutality of slavery and war, others—like the infamous Ku Klux Klan—sought political and racial redemption for their losses through violence. Beyond Redemption merges studies of race and American manhood with an analysis of post-Civil War American politics to offer unconventional and challenging insight into the violence of Reconstruction.*

*A darkly imaginative writer in the tradition of Joe Abercrombie, Peter V. Brett, and Neil Gaiman conjures a gritty mind-bending fantasy, set in a world where delusion becomes reality. . . and the fulfillment of humanity's desires may well prove to be its undoing. When belief defines reality, those with the strongest convictions—the crazy, the obsessive, the delusional—have the power to shape the world. And someone is just mad enough to believe he can create a god. . . . Violent and dark, the world is filled with the Geisteskranken—men and women whose delusions manifest. Sustained by their own belief—and the beliefs of those around them—they can manipulate their surroundings. For the High Priest Konig, that means creating order out of the chaos in his city-state, leading his believers to focus on one thing: helping a young man, Morgen, ascend to become a god. A god they can control. Trouble is, there are many who would see a god in their thrall, including the High Priest's own doppelgangers, a Slaver no one can resist, and three slaves led by possibly the only sane man left. As these forces converge on the boy, there's one more obstacle: time is running out. Because as the delusions become more powerful, they also become harder to control. The fate of the Geisteskranken is to inevitably find oneself in the Afterdeath. The question, then, is: Who will rule there?*

*Alison Battaglia is a Mafia princess who is out of the game. Her Mafiosi Don Brother had always made sure of it. Until one day, he has no choice but to pull her under, and into the darkness of a life of sworn oaths and kept promises. An arranged marriage isn't exactly something unheard of, but it cuts deeper when you've just discovered that you might be in love*

*with a guardian. A mysterious man you'd trust with your life. Instead she'll be marrying into the life he'd give the world to be free of. How can love prevail above a promise in a circle on Men on Honor?*

**I have been described as being "Beyond Redemption". I have been described as the devil incarnate. I have been defying all the rules of modern and classical poetry for over forty years. In terms of success the only difference between me and Charles Bukowski is my lack of an angel such as Black Sparrow Press to devote all their resources to publishing exclusively my work. This is damn good shit. If you read it, I guarantee you'll like it.**

**Reckless rogue or man of honour? Riding on a Sussex beach, Alexander Ellerdine fights through the waves to rescue a young lady trapped by the tide. He's instantly captivated by her beautiful face and dauntless spirit—but as a smuggler with a tarnished reputation Zan has nothing to offer a woman such as her. Marie-Claude is determined to unravel the mystery of her brooding rescuer. His passionate kisses are as dangerous as his reputation. The integrity in his eyes indicates he's a gentleman...but the secrets and rumours say that he's a rake beyond redemption... Katie Mitchell is a well brought up Catholic girl in the dark ages of the nineteen fifties. Her father loves her very much. Her mother values piety and chastity above all. This is a brave and funny novel about falling rapturously in love and being condemned for it; about wakening sensibility and constraint, and about finding oneself growing up in spite of the voices that say 'no'.**

**Injured while working with her young quarter horse, Jeannie is thrust precipitously into a fantastic world of spirit and light. No longer bound by the dictates of the physical world, she finds herself navigating a landscape both astoundingly beautiful - and fraught with excruciatingly painful challenges. Memories of her life taunt her as she maneuvers through an unfamiliar landscape. Lingering insecurities bedevil her. Precariously grasping at long-held religious convictions while examining her own shortcomings, she wonders if her journey will lead her to paradise, or if she is truly 'Beyond Redemption.'...**

In *Beyond Redemption*, new author L. T. DeAngelo dissects the recipe for a perfect crime—the murder of a prodigal son. The day Elvis met his maker Tom Vento lost everything he knew to be good and true—everything that was worth living for. After graduating from college and sowing a few wild oats, Tom has assumed stewardship of a successful family business and fallen in love with the perfect girl. A young man on the brink of great things, his very future is robbed in a horrible accident and this perfect son and brother becomes a young man who barely exists. Four months after the accident, deformed and maladjusted to the life of a survivor, Tom passes his time tanked on vodka and prescription drugs. This new Tom seems determined to destroy his family's rich legacy and with a growing list of enemies swearing that something has to be done—something beyond redemption will. A perfect holiday read—this book should come with a hammock.

**Wahnsinnig spannend, wahnsinnig hart, wahnsinnig gut! In einer Welt, in der der Wahnsinn regiert, ist ein Leben nicht viel wert. Nicht einmal das eines Gottes ... In der Welt der Wahnwirker gibt es nur eine unumstößliche Wahrheit: Glaube ist Macht. Glaubte man nur fest genug an etwas, so wird es zur Realität. Und deshalb sind es die Wahnwirker, die hier die meiste Macht auf sich vereinen: Geistesranke, deren Wahnvorstellungen so mächtig sind, dass sie wahr werden. Soziopathen, die so überzeugt von der eigenen Überlegenheit sind, dass ihr Umfeld ihnen dienen muss. Schizophrene, die sich in mehrere Körper aufspalten. Pyromanen, die mit nur einem Gedanken Feuer legen können. Männer und Frauen, die jederzeit kurz davorstehen, sich in ihrem Wahnsinn zu verlieren - und ihre Umgebung mit in den Abgrund zu reißen. In dieser Welt kämpfen drei Fraktionen um das Leben eines Jungen: Ein Tyrann, der sich in ihm einen eigenen Gott erschaffen will, um selbst allmächtig zu werden. Ein Trupp Vagabunden, der diesen jungen Gott entführen will, um ein wahrhaft göttliches Lösegeld zu erpressen. Und ein Versklaver, der ihn benutzen will, um seine unbändige Gier nach Liebe zu stillen. Es beginnt eine grausame Jagd, die am Ende nur Verlierer kennt - denn die Chroniken des Wahns werden mit Blut geschrieben. "Höchst empfehlenswert!" Anthony Ryan, Spiegel-Bestseller-Autor**

"Ein verstörender und origineller Fantasy-Roman!"

Publishers Weekly "Es gibt nicht viele Fantasy-Romane, die so intelligent, ambitioniert und exzellent geschrieben sind!" BOOKLIST

A Candle for Lucifer seeks to depict how to outward appearances good and evil are easily confused, especially within the religious Establishment. Revd Canon Wilkes appears to be good if not holy to most of those inside the Church. To outsiders he is quickly recognized as the embodiment of evil. From many years experience of the Church, the author depicts an assortment of characters from the very disreputable to the very good. Yet mindful that evil can disguise itself as Light, the impact of the book is to show that nothing is as it seems. The book also asks whether Wilkes is beyond redemption? From the Latin 'lux' meaning Light, Lucifer is another name for the planet Venus when it rises as the morning star.

A distinctive focus of 19th- and 20th-century Latin American philosophy is the convergence of identity formation and political liberation in ethnically and racially diverse postcolonial contexts. From this perspective, Omar Rivera interprets how a "we" is articulated and deployed in central political texts of this robust philosophical tradition. In particular, by turning to the work of Peruvian political theorist José Carlos Mariátegui among others, Rivera critiques philosophies of liberation that are invested in the redemption of oppressed identities as conditions for bringing about radical social and political change, foregrounding Latin America's complex histories and socialities to illustrate the power and shortcomings of these projects. Building on this critical approach, Rivera studies interrelated epistemological, transcultural, and aesthetic delimitations of Latin American philosophy in order to explore the possibility of social and political liberation "beyond redemption."

Redemption: The Two Lives of Harry Brooks is a work of historical fiction based on the life of Brooks Eason's grandfather. In the first half of Harry's life, he embezzled money from the Uniontown, PA, school district where he was the elected superintendent, left his wife for another woman, and sought to escape by booking passage on a Cunard liner to Liverpool. But his plan was foiled, Scotland Yard arrested him when the ship docked, and he was

extradited, tried, convicted, and served three years in Western Penitentiary in Pittsburgh. In the second half of Harry's life, he came to the South, where he spent his last thirty-five years as a revered and successful Methodist minister and church official. He was a district superintendent overseeing a hundred congregations at the time of his death in 1942. In 1934, when President Roosevelt spoke to a crowd of 75,000 in North Mississippi, Harry was chosen to give the invocation. Nobody in the huge crowd knew the preacher at the lectern was an ex-con.

**Redemption: The Two Lives of Harry Brooks** entertains readers with a fascinating story and uses Harry's life to illustrate important principles of theology, principally that all men are sinners but that even the worst of sinners are capable of redemption. It is unique and appealing because it's based on a true story of a man who could have given up when he lost everything, but instead he persevered. **Redemption: The Two Lives of Harry Brooks** appeals to audiences who are interested in an inspiring story of overcoming hardship.

**Politics of Religion in Israel and Turkey**

In the wake of something dreadful Isabella's strength of character helps her through some of the darkest times of her life. There are shocks and surprises at every turn. Brace yourself for hairpin twists and edge of seat suspense. What if your tomorrow turns out not as you have expected. Could you turn your life around? Will justice and the law win through.....? BEYOND REDEMPTION is the first book in Alex Hudson's REDEMPTION trilogy.*

*How To Disgrace A Lady Arriving for a party, Merrick's season of outrageous scandal takes a challenging turn. Caught in a compromising situation with Lady Alixe Burke, her father tasks this so-called gentleman with making his blue-stocking daughter marriageable! Lady Alixe - more happy in the library than the ballroom - is most definitely left-on-the-shelf material. He'll never walk away from a wager, but Merrick's expertise extends way beyond society etiquette. Never before entrusted with a woman's modesty, Merrick sets about teaching her everything he knows... How To Ruin A Reputation After years in Italy honing his skills in the delicious art of seduction, Ashe returns to London's high-class establishments - preceded, of course, by his reputation for lavish opulence and unashamed wickedness. Then his scandalous ways are abruptly ended by his father's death. To claim what is rightfully his, notorious lothario Ashe must do the inconceivable - take a wife! But*

*who could possibly even think about marrying such a man? Certainly not the lovely Genevra Ralston. After all, she'd be finished in polite society. Wouldn't she? Yet Ashe's notorious charm and practised touch could prove irresistible...*

*The author describes the arrest, court appearances, trial and incarceration of Jack Wayne Bender and Dwight Douglas Lucas. They were convicted of the axe-slaying of Michael Ray Hurd.*

*Comparing the politics of Judaism and Islam, this book demonstrates that common religious political party characteristics in Israel and Turkey can be as striking as their differences.*

Acts Beyond Redemption takes you on a twisted, deadly, journey. Mike Matheson is head of a Special Task Force set up by the F.B.I to track down and apprehend the serial killers responsible for 18 brutal murders. The team are exhausted, frustrated, and ready to burn out after almost five years and no leads. Their nightmares are stripping them to the bone. Nothing has prepared them for this. Someone on the inside is deflecting their weary eyes away from an incomprehensible and shattering truth. Who will be buried in the shattered remains of a country where freedom and honor are treasured above all things? Just how far will those elected to protect and defend go, to keep the American dream alive?

In Eye of the Redeemer, self-described “ average joe ” Ray Silver is in the middle of a midlife crisis and a personal quest to justify his life when he finds himself on a sixty-year-old naval relic sailing for the Philippines—an accidental key player in a covert CIA operation. After he is suddenly thrust into the spotlight as a national hero, he tries to balance a budding relationship with finding out what really happened to his long-lost brother, Frank, who may or may not have been with him in the jungles of Luzon. In Beyond Redemption, Ray's search for Frank continues, even as his new wife encourages him to surrender to the simplicity of their Hawaiian family life. But his innocent search proves deadly and he's not the only one interested in the outcome—especially when he enlists the help of a young investigative reporter. The more they dig, the more red flags arise—at the CIA, NSA, and with powerful San Francisco Congresswoman Francine Manetti, preoccupied with Frank and a package of documents he supposedly had. Ray soon learns that Manetti, in her quest to become the first female Speaker of the House, is a force to be reckoned with—a painful lesson learned through congressional hearings and underhanded dealings alike. Can Ray keep his family from becoming collateral damage? Is Frank Silver alive? Is Manetti willing to do anything to keep those documents from stalling her drive to become the most powerful woman in America?

Connor and Alex's drug use had taken them farther from white bread suburbia than they ever wanted to go. Struggling to keep their marriage and their sanity in tact while also feeding their addictions proves futile at best. When their fragile world collides with the Baltimore underworld of pushers and drug dealers they realize they'll be lucky to make it out alive. Baltimore's back streets were controlled by various gangs but one man aspired to organize them. Lil' Earl and his #1 Captain Eddy Grant were making progress with the help of Baltimore's Vice Mayor, Arthur Ford. Ford has aligned himself with a supplier of almost pure

Afghan heroin but the price he will pay in the long run will be high. Vasily Tokarev, an ex - KGB leader, can provide all the product that Baltimore and the rest of the United States could ever consume but his expectations are high and his rules are solid. When crossed people die and when angered people die badly. In the long run everyone is searching for redemption but the road is rough, crooked and filled with pitfalls. And sometimes the going up isn't worth the coming down.

Sam Kamkaango's life was the very stuff that grows into legends. At a relatively youthful age of 42 years, he was already a force to reckon with in international business and politics. He was the yard stick with which the ambitious and the promising measured their worth with. The media dubbed him, with justification, as the 'Financial Wizard of the Developing World' Yet unknown to many of his admirers was the fact that beneath the veneer of poise, class and success languished a man in chains: a haunted, terror stricken man looking, nay groping in the dark, for an exit, a way out of a nightmarish world of demons that would not be exorcised. A prisoner of a remorseful past: a man beyond redemption.

***Race, Violence, and the American South after the Civil War***

At the end of Reconstruction, the old order reasserted itself, to varying degrees throughout the former Confederate states. This period—Redemption, as it was called—was crucial in establishing the structures and alliances that dominated the Solid South until at least the mid-twentieth century. Texas shared in this, but because of its distinctive antebellum history, its western position within the region, and the large influx of new residents that poured across its borders, it followed its own path toward Redemption. Now, historian Patrick G. Williams provides a dual study of the issues facing Texas Democrats as they rebuilt their party and of the policies they pursued once they were back in power. Treating Texas as a southern but also a western and a borderlands state, Williams has crafted a work with a richly textured awareness unlike any previous single study. Students of regional political history will benefit from Williams' comprehensive view of this often overlooked, yet definitive era in Texas history.

Lt. Jake Bowman has been recently promoted in his police department. He thinks his new assignment will be a welcome change, but he soon finds himself thrust into the middle of a multi-homicide investigation that implicates members of his department with possible terrorist connections.

BEYOND REDEMPTION is about how lust for women or men corrupts the Christian, social and professional fabric of any organization. It also shows how Satanism is used by greed leaders to maintain their hold on power and authority. Last but not least it shows how justice plays the ultimate role to prevail over all forms of lust. Satanism and greed, hence the title BEYOND REDEMPTION.
