Gain the knowledge and skills you need to provide psychiatric mental health nursing care in Canada! Varcarolis's Canadian Psychiatric Mental Health Nursing, 3rd Edition uses a practical clinical perspective to provide a clear understanding of this often-intimidating subject. It provides a foundation in nursing techniques and a guide to psychobiological disorders such as bipolar and depressive disorders, trauma interventions, and interventions for distinct populations such as children and older adults. Adapted to meet the needs of Canadian nurses by Cheryl L. Pollard and Sonya

terrorist units have been deployed to deal with airplane, ship, train, and bus hijackings. They have rescued hostages in various types of buildings and have dealt with barricaded bank robbers, prison rioters, and assorted dangerous criminals. Thousands have been rescued and millions have been safer because terrorists were aware that elite antiterrorist units were poised to take action should they take hostages. Following the September 11th attack on the World Trade Centre, the mission of many anti-terrorist units has expanded. Some units now track terrorists to their lairs in other countries and strike them there. Despite the significant and growing role of these units, little is known about the way they operate. The selection,

Providing a clear picture of trends amongst progressive police authorities, researchers from North America and the United Kingdom address the fundamental question - whether community policing is set to fulfil its many promises. Using both qualitative and quantitative methods, the authors present a thorough evaluation of the social and organizational processes involved in planning and implementing community policing as well as the effects of such programmes and policies on the police and the community itself.

This report provides suggestions for overall improvement in delivery of police services for greater protection against crime. The National Advisory Commission on Criminal Justice Standards and Goals considers the patrolman the primary force in reducing and preventing crime and thus directs its report recommendations toward increasing police effectiveness. Suggestions for improvements in police functions are presented in the areas of community, planning and organization, technology and support services, fiscal management, and coordination with other criminal justice agencies. These proposals appear in the form of more than 120 specific standards and recommendations that spell out where, why, and how these

improvements can and should be made in the police segment of the criminal justice system. Report on police is a reference work for the practitioner -- patrolman to police chief -- as well as for the interested layman. Before implementing any of the changes advocated, police departments are advised to detail the legal limits of police authority and develop guidelines for the exercise of that authority. In order to improve cooperation between the police and the community it is suggested that police agencies establish a specialized unit for maintaining communication with citizens. Each police department should encourage and participate in neighborhood security programs and establish procedures to facilitate processing of
