Criminal Justice

A Brief Introduction

This book addresses the ethical and methodological issues that researchers face while conducting cross-cultural social research. With globalization and advanced means of communication and transportation, many researchers conduct research in cross-

Read Free Criminal Law Paper Topics

cultural, multicultural, and transnational settings. Through a range of case studies, and drawing on a range of disciplinary expertise, this book addresses the ethics, errors, and ethnocentrism of conducting law and crime related research in settings where power differences, as well as stereotypes, may come

Read Free Criminal Law Paper Topics

into play. Including chapters from scholars across cultures and settings — including Greece, Canada, Vienna, South Africa, India, and the United States — this book provides an invaluable survey of the issues attending cross-cultural social justice research today. Engaging issues confronted by all cross-

Read Free Criminal Law Paper Topics

cultural researchers this book will be invaluable to those working across the social sciences as well as professionals in criminal justice and social work.

Addresses a range of issues, including emerging drug policy, prison crowding, gun control, race & sex bias, incarceration & alternative sanctions,

Read Free Criminal Law Paper Topics

sexual assault, the impact of gun control legislation, domestic violence, the effectiveness of community policing, & a multistate examination of police behavior & ethics. Charts, tables & graphs.

In this volume top scholars contribute chapters covering a wide range of topics

Read Free Criminal Law Paper Topics

including jurisprudence, competency, children, forensic risk assessment, eyewitness testimony, jurors and juries, lawsuits, and civil law. Also included is an introductory chapter by the editor. The result is a unique and comprehensive treatment of the issues at the confluence of these disciplines.

Intended for federal, state, and local policymakers in the area of criminal justice research and development, this

Read Free Criminal Law Paper Topics

report includes guidelines for improvement of the quality, relevance, and utilization of research results. In order to cover these issues, part two of this report focuses respectively on the needs of research and development

Read Free Criminal Law Paper Topics

policymakers who fund criminal justice research and development, researchers who conduct research and development, and practitioners who put research and development results into use.

Guidelines and

Read Free Criminal Law Paper Topics

principles are proposed which should assist policymakers at all levels of government. However, some topics tend to be addressed more to the federal level, where major research and development

Read Free Criminal Law Paper Topics

decisions are often made. The first chapter of this part presents a detailed discussion of institutional support for criminal justice research and development. It describes the federal role in supporting this effort, focusing

Read Free Criminal Law Paper Topics

on who the agencies are, the extent of their involvement, and how the principal agencies are organized to manage their research and development programs.

Recommendations regarding the

Read Free Criminal Law Paper Topics

research and development management activities of criminal justice funding agencies are included. Several important issues in the conduct of criminal justice research and development are

Read Free Criminal Law Paper Topics

examined in the second chapter. Among the topics discussed are constraints on research, ethical issues, research designs and methodologies, prerequisites for sound planning and project selection,

Read Free Criminal Law Paper Topics

ways of maintaining the confidentiality of data, and ways of making data more easily available for research and statistical purposes. The final chapter of this section discusses research and development utilization practices

Read Free
Criminal Law
Paper Topics

and the assumptions underlying current policies in this area. A criticism of these policies and recommendations for new strategies is presented. The final part of this report provides an analysis of the kinds of problems often
