A controversial call to put honor at the center of morality To the modern mind, the idea of honor is outdated, sexist, and barbaric. It ev Hamilton and Burr and pistols at dawn, not visions of a well-organized society. But for philosopher Tamler Sommers, a sense of honor is essential to living moral lives. In Why Honor Matters, Sommers argues that our collective rejection of honor has come at great cost. Re only on Enlightenment liberalism, the United States has become the home of the cowardly, the shameless, the selfish, and the alienated

Properly channeled, honor encourages virtues like courage, integrity, and solidarity, and gives a sense of living for something larger than oneself. Sommers shows how honor can help us address some of society's most challenging problems, including education, policing, and mass incarceration. Counterintuitive and provocative, Why Honor Matters makes a convincing case for honor as a cornerstone of our modern society.

But his internal hunger for revenge and newfound sense of purpose can't stay hidden forever. Hank must now find a way to release the hold the Emperor has over him in order to fight back. But an unexpected struggle will put him at odds with who he really is and who he has yet to truly become. Especially when his dreams begin to reveal a terrifying future. The Priest's Prayer Book

The Gentleman's Magazine: Or, Monthly Intelligencer

Founded upon the revolutionary premise that High Magick can be distilled to a few powerful and efficient steps, Louis T. Culling's original edition of this classic magick book broke all the rules. Llewellyn is proud to present an updated and expanded edition of this pioneering work. The G B G , or "Great Brotherhood of God," was a magickal order founded by acclaimed magician Frater Genesthai. Louis T. Culling, one of the initial members of the G B G . in California, was instructed by Genesthai to reveal the Order's magickal curriculum when the time was right. Carl Llewellyn Weschcke, publisher of Culling's original edition of this book, offers illuminating commentary, definitions, and discussion points to render these profound magickal philosophies and practices even more accessible and relevant for contemporary magickal practice. This new edition is also an interesting philosophical commentary, answering a number of questions about historical occult orders and figures like Aleister Crowley. The techniques taught in this curriculum include: Dream Recall and Interpretation Functioning in the Borderland Finding One's True Magickal Identity The Retirement Ritual The Invocation of Thoth Ritual Divination Imprinting the I Ching on the Body The Three Degrees of Sex Magick Thelema and the Magickal Will Invocation of Human Quality The Rite of Transubstantiation Conversations with a God Magickal Offspring The Familiar The Great Lunar Trances
