Special Knits is based on our need to create lovingly-made handknits for new babies, in soft yarns that are gentle against delicate skin. Each stitch is invested with affection and care by the knitter. Some of the designs in this book are simple to make – their special quality lies in the softness of the fabric, usually a cashmere mix. There are other projects where the uniqueness of the design comes from a scattering of beads, a velvet bow, or an organza ribbon that frames the gentle curve of a baby's cheek. In an age of the throwaway, these are garments that will become the modern classic, knits to cherish and hand down through generations. Most of the designs require little knowledge of complicated techniques; a simple garter-stitch blanket is perfect for a beginner and is given a touch of luxury with an edging of satin. Easy knits are embellished with a ribbon or a scattering of beads, while for those knitters who prefer more of a challenge, there is a sampler blanket or a cross-stitch embroidered gingham cardigan.

In Baby and Toddler Knits, best-selling knitwear designer Debbie Bliss presents a stunning collection for newborns and children from hats, bootees, throws and sweaters to little jackets and dresses for toddlers. All are knitted in one of Debbie's favourite yarns – cotton. Smooth and gentle on the skin, cotton is a perfect all-season yarn, producing airy summer garments or, in an Aran or double knitting weight, cosy winter jumpers and jackets. An illustrated techniques section will guide you through all the techniques you'll need, and, where appropriate, there are also detailed charts. Enhanced throughout with stylish colour photos, this gorgeous collection is sure to appeal to anyone knitting for babies and children.

This latest collection of original children's knits from best-selling author Debbie Bliss has a delightful farmyard theme. Over 30 designs range from whole layettes and all-in-one outfits for babies to sweaters, cardigans and jackets for older children and even cuddly soft toys such as cows and sheep. As always with Debbie's designs, the traditional is attractively combined with more adventurous ideas and a Mother Goose cardigan and a baby jacket with a border of pigs sit happily alongside a patchwork sweater with animals motifs inspired by American folk art and a tartan jacket with a border of Highland cows. And to appeal to children's love of dressing up there are irresistible designs such as a duck all-in-one with webbed feet and a beak and a range of matching animal slippers and soft toys. Clear instructions and easy-to-follow charts mean that even less experienced knitters will have no difficulty in creating these stunning knits, which are all illustrated in tempting colour photographs.
