

Edexcel Year 9 Maths Past Papers

This book supports students preparing for the Edexcel GCSE exam. The practice papers in the book are carefully modelled after past papers and specifications of exam board to ensure that the papers as a whole provide a rich and varied practice to meet all requirements of GCSE mathematics with an appropriate difficulty. Papers are designed to teach students the most easily applicable, reusable and fastest solutions to typical problems, and utilise problems which target areas of maths which students typically forget under the pressure of an exam. Solutions provided have been reviewed by many students to ensure that they are easily understandable while being the fastest and most re-applicable.

This text provides additional exercises written to complement those in the "Edexcel GCSE mathematics" course textbooks. Answers to all the questions are provided allowing students to self-test. The Intermediate text is targeted towards mainstream ability students.
