Financial Reporting & Analysis (FR&A) by Revsine/Collins/Johnson/Mittelstaedt emphasizes both the process of financial reporting and the analysis of financial statements. This book employs a true "user" perspective by discussing the contracting and decision implications of accounting and this helps readers understand why accounting choices matter and to whom. Revsine, Collins, Johnson, and Mittelstaedt train their readers to be good financial detectives, able to read, use, and interpret the statements and-most importantly understand how and why managers can utilize the flexibility in GAAP to manipulate the numbers for their own purposes. Significantly, the new edition emphasizes the differences and similarities between GAAP and

Bachelor Thesis from the year 2017 in the subject Business economics - General, grade: 1.7, Fachhochschule Bonn-Rhein-Sieg, language: English, abstract: The general aim of this present thesis is to gain insight into the economic situation of both companies from published annual reports and then into the development of Huawei and Ericsson within six years, since other sources of financial data

## Download File PDF Financial Reporting Statement Analysis And Valuation 7th Edition Solutions

are not available to outsiders, and the analysis of the consolidated financial statements of Huawei and Ericsson, which was prepared in accordance with IFRSs, within the six year period, gives insights into the economic situation of the two companies. To be more precise, the objectives of this essay are to analyze the financial statements of those two communication technology companies using various financial indicators in order to evaluate both balance sheets' structures, liquidity situations and performances, then to perform a comparison between those two companies in order to study the

## Download File PDF Financial Reporting Statement Analysis And Valuation 7th Edition Solutions

development of both companies during the last six years and to find out how Huawei overtook its rival Ericsson and whether this success and continuous growth is still sustainable in the current global economic recession and financial crisis as well as in the future. This thesis ' s main task is to compare the analytic results of the two firms from 2011 to 2016 in order to find out to what extent Huawei has surpassed Ericsson, using the instruments of financial statement analysis. First, using the principle of K ü tting and Weber, we reformulated the financial statements of the two companies to make them

## Download File PDF Financial Reporting Statement Analysis And Valuation 7th Edition Solutions

more comparable, and then we calculated the necessary key ratios extracted from annual financial reporting so that we can make comparison and outline the company ' s status in three aspects, i.e. structure, liquidity, and performance. At last, after comparison of ratios of the two companies conclusions were drawn.
