

Forgive And Live

An inspirational guide for overcoming adversity and leading a fulfilled life, with contributions by more than two dozen experts on personal transformation. Trials and difficulties are a part of life. Whether these adversities are related to one's health, finances, career, or family, we all have burdens to work through. With wisdom from more than 25 transformational leaders, including New York Times-bestselling authors Janet Bray Attwood, Marci Shimoff and Chris Attwood, this inspiring collection offers practical advice for pushing through hardships and consciously creating the life you've always wanted. Here you will find engaging personal accounts punctuated with humor, deep insight, and heart-centered wisdom. These entertaining tales contain the knowledge, tools, and motivation you need to build abundance, happiness, health, and love. Covering topics from career to relationships to personal growth, this international team of authors will show you how to finally overcome some of life's most stubborn challenges and live the life you were destined for. No matter what your circumstances, there is a way to make a change. Let Ready, Set, Live! Be your guide.

A Wife's Journey to Forgiveness was birthed by the personal experiences of the author while married to her late husband after his struggle with substance abuse. It is a glimpse of what is required of us, by God, to give and to receive forgiveness. Deciding to forgive or not to forgive, forced her to reach beyond where she could reach and see beyond what she could see and rely totally on God. While contemplating forgiveness, God took the author on a journey of acquiring knowledge and allowed her to gain a deeper understanding of what forgiveness encompass. Also, the book speaks of the personal testimony of the author; identifying where she stood in moments of her tender pain and suffering. As the author journeys through the pitfalls of hurt and disappointment that was prevalent in her marriage, she was reminded that God's word is real and His mercies endureth forever. Ultimately, she realized that forgiveness was not for her husband, but the act of being able to forgive was for her. Through it all she acquired a more profound understanding of forgiveness. This book is equipped with many scriptural references to aid the reader in his//her quest of forgiveness. "Now unto Him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us." Ephesians 3:20

A graceful, biblical way to reclaim sanity for the home and dignity for the suffering spouse in a dysfunctional or dangerous marriage. Thousands of conscientious believers wanting to honor the sacred vows they took before God suffer in dysfunctional, even dangerous marriages. Each and every day they must choose between the lesser of two evils: divorce without sound biblical support or a life of perpetual, unrelenting misery. Somewhere between the secular disregard for the commands of Christ and the sacred unwillingness to deal with real problems of people, there is a way. The redemptive divorce process is designed to honor the sacredness of the union while offering practical relief for the suffering partner and tough love for the offending spouse. In some cases, it might even be the catalyst for the restoration and rebuilding of the marriage. Practical, provocative, and utterly unique, Redemptive Divorce includes a helpful guide with worksheets for implementation. This book discusses how struggles could turn into accomplishments. Obstacles and hurdles never stop individuals from moving forward in life. There's growth and prosperity in every situation. Loving and forgiving increases an individual's success.

Community Practices for Making Peace

How to Forgive your Boss

A Wife's Journey to Forgiveness

Instant Forgiveness

How to Forgive Someone Who Harmed You to Let Go of Emotional Baggage Dragging You Down Instantly!

Live! Love! Forgive!

The Fight to Forgive

Every soul carries within itself pain caused by the hurtful words and acts of another human being. How can you find peace and heal from these wounds? How can you live a Christian life reflective of Christ's command to be a forgiving, loving person? By integrating the work of psychologists and the deep theological truths of the Christian faith, Dr. Hankle answers these questions and more so you can live a healthy, flourishing, resilient life. He provides you with practical steps to incorporate in your daily spiritual practices so you may love and be loved as God intended.

Think you can't forgive someone (or just don't want to)? Dr. Tibbits shows you what real forgiveness means and 10 principles for how to make forgiveness work for you. This groundbreaking book is based on a clinical study conducted by Stanford University and Florida Hospital demonstrating how forgiveness could actually save your life. You'll also learn how forgiveness can: reduce your anger, improve your health, and put you in charge of your life again.

The High Call of Forgiveness exposes the strategy of the enemy that has caused too many of us to become trapped in a state of unforgiveness. From the pages of this book, you will learn the strategies of the enemy of your soul. By knowing the mode of operation of your opponent, you will become well equipped to fight him with intelligence. You will also learn that offense is a direct attempt by Satan to block the answer to the powerful prayer that Jesus prayed for us in John 17, that we may be one! Knowledge is power. By knowing this, you will learn to position yourself against the attack of the enemy. Rosemarie Downer takes you on an eye-opening and honest journey of self-examination. You will ask yourself and find answers to questions like these: What got me here? How can I get unstuck? How is it that I know what the Word of God say about unforgiveness, yet I find it so difficult to obey? The High Call of Forgiveness addresses: Why most people find it difficult to forgive The role of emotional hunger and emotional wounds in hindering us from forgiving others The importance of obtaining emotional healing The blessings associated with forgiveness The hand of God in our lives, even when others hurt us

The author's book, Degrees of Love and Forgiveness, demonstrates that God's love and forgiveness are offered in various degrees, capacities, and strata. Specifically, God's love is shown to be both conditional and unconditional, volitional yet emotional, infinite although finite. Advanced implications are considered. For example, If God loves everyone infinitely, why does He cast some into Hell? Since typical appeals to freewill responses fail to explain why God would allow sin and suffering, what other answers might be deemed superior? The discussion in the book is far from being merely theoretical, however. Practical ramifications are explored in the fields of Christian victory (nikology), spiritual warfare (polemology), and rewards

(mishology). Implications for Christian counseling for those struggling with rejection are integrated throughout the book.

The Limits of Forgiveness

Perspectives on Forgiveness

Redemptive Divorce

Everyone, and I do mean everyone has at least one somebody that has been belligerently disrespectful of them and blatantly and inconsiderately did or said something that hurt, or at the very least, disappointed us. And because of their distasteful actions, we are left with a decision to either carry the hurt they caused us forever, or to not allow them to freely rent space in our head and heart years after they hurt us. And if you decide to not allow them to still control and manipulate you from afar by holding anger, hostility, hatred and unforgiveness against them, you then sometimes have to fight against your better judgment to let it go and move on with your life! If you are at that place where you want to let it go and move on, but something keeps playing it over and over, reliving it and bringing it back up, from the inside of your soul, then this book is for you!! Make the choice today to engage in the fight of being free through forgiveness! And not only engage in the fight, but win the victory!!

Forgiveness can lead to a life of prosperity and abundance. It can open the door to loving intimate relationships and strengthen the bond of lifelong friendships, and the health benefits that are experienced when resentments are released are astounding. You are about to enter what the author hopes you will find to be a humorous and delightful journey on the subject of forgiveness. Many who seek self-help and inspiration wonder why, with all of the work they have done to improve themselves, there still seems to be a sense of poverty in certain areas of their lives. Something still seems to be missing. Maybe you yourself asked, "How I can prevent negative things from coming into my experience?" The answer to that question may be closer than you think. You now hold in your hands an amazing treasure that may lead you to the answers that you're looking for. Fasten your seat belt. It's going to be a fun ride!

Why do we suffer, when we love? Does the other person cause us pain, or is it the disconnect between reality and the ideal we try to match it against? Could suffering be optional? Author Anca Ivanenko believes that every emotion and every thought is the result of a choice. She shares her poetic musings on the turmoil of love, acceptance, forgiveness and empowerment, in *Love by Design, Forgiveness by Choice*. In this moving poetry collection, Ivanenko's words flow in rhyme as emotions fill each poem. Readers will fall in love as *Two Worlds* collide. They will discover why love is *A Blessing and a Curse* and experience regret when *The One* comes *Too Late*. They will learn *To Love, to Stop suffering, to forgive A Good Heart* and honor its *Sweetest Memory*. A touching piece, *Until We Meet Again*, is dedicated to the author's father who passed away. Complemented by an arresting collection of abstract images, *Love by Design, Forgiveness by Choice* is a memorable anthology that will resonate with everyone who has ever fallen in love or dreams of finding *The One*.

You cannot be happy, healthy, or step into your purpose until you know and understand fully three things about yourself: your love language, fear triggers, and fear language. 490 shares powerful stories coupled with an eye-opening forgiveness method that empowers you to experience every day with strength and clarity. Get ready to change everything!

Learning How to Forgive

Forgive to Live

living the fabulous life through forgiveness

Live Unshackled

It's a Mandate

Or Anyone Who Has Done You Wrong

When visual imagery and inspiring words meet reflective insight, it is easy to see how forgiveness and peace work hand in hand. Marcy Neumann's unique insight offers the opportunity to explore why forgiveness is the cornerstone of living in peace.

Many people's lives are crippled, or at least hampered, by what other people have done to them, or what they have done to other people. Only by finding a way to be free of the past, can we live fully. The Christian belief is that we do this by forgiveness, and by the death of Jesus on the cross. This volume discusses the how and why of forgiveness seeking to help the reader understand the meaning of the death of Jesus and how it helps us to forget and live. The book is presented in six chapters with questions

groups in Lent.

What's the point of being a Christian anymore? Many Christians today are feeling unfulfilled in their walk with God, and they have no idea it's because of the little decisions they're making each day that are leading them into lives of compromise. In *Navigate Your Faith* Ron Pratt uses a fictional American family to expose how the enemy lures believers into prioritizing their own pleasure, entertainment, or career goals over their relationship with Christ. This erodes their passion for Jesus and causes them to become spiritually bored and have powerless Christian lives. Rather than claiming that God will approve of Christians no matter what they do, as some modern ministers do, *Navigate Your Faith* challenges readers to take a hard look at their lives and see if they're simply incorporating Jesus into their lifestyles or allowing Him to set them on a course of choosing. With proven strategies to rebuild lost intimacy with God, this book will help Christians recognize the deceptive tactics of the enemy, break out of complacency, and make a greater impact on the world around them. This book will help you recognize and avoid the deception of today's nominal Christian culture.

Hearing the call to forgive is different from knowing how to practice forgiveness at home and in the world. In this book, Greg Jones and Célestin Musekura describe how individuals and communities can cultivate the habits that make forgiveness possible, not only in situations like genocide but also in everyday circumstances of marriage, family and congregational life.

Forgive To Live God's Way: A Spiritual Workbook on Forgiveness That Could Save Your Life

Praying for Forgiveness from A-Z

Forgiveness and Moral Understanding

This is a Christian book dealing with the reality of forgiveness. Who deserves forgiveness? Why is forgiving so important? This book gives practical steps to help you forgive and live life in the freedom and fullness that you deserve.

The Cry When is it appropriate to start crying to the Lord for help? Crying is an utterance of a loud voice; throughout generations believers have always cried to the Lord in times of our distress. It can take several years of praying to create a single cry which causes deliverance to happen (Psalms 56:9). When we cry out to the Lord, it is an act of despair and supplication; it is an expression of our faith and trust in God. -Stephen Miller, excerpt from chapter 3

Demystifying an unrealistic ideal Maria Mayo questions the contemporary idealization of unconditional forgiveness in three areas of contemporary life: so-called Victim-Offender Mediation involving cases of criminal injury, the work of the Truth and Reconciliation Commission in post-apartheid South Africa, and the pastoral care of victims of domestic violence. She shows that an emphasis on unilateral and unconditional forgiveness puts disproportionate pressure on the victims of injustice or violence and misconstrues the very biblical passages—especially in Jesus' teaching and actions—on which advocates of unconditional forgiveness rely.

This interdisciplinary, empirical and theoretical approach to forgiveness and revenge considers the roles of truth, restitution and ritual in the promotion of forgiveness and deterrence of revenge in multiple contexts.

**Forgive to Live: Making Peace to Live in Peace
Forgiveness**

When someone hurts us, our natural response is to strike back. But God calls us to forgive. How can we let go of our bitterness? June Hunt offers biblical help on how to find true freedom through forgiveness. The Instant-Series Presents "Instant Forgiveness" How to Forgive Someone Who Harmed You to Let Go of Emotional Baggage Dragging You Down Instantly! Remember all those people who have ever upset, offended, or harmed you, whether it was physically or emotionally, and you just can't seem to let it go. This could have been a random stranger, past relationship, or even worse...you live and have to interact around them everyday like at home or work. This unwillingness to let things go is not only controlling you, but eating you up alive deep down inside, and you want it to stop! Yet, you just can't seem to unburden yourself of these harbored negative emotions. Don't give them more power to do any more harm than they already have! You're robbing yourself of positive energy and focus that could be used for more productive positive priorities other than on those particular individuals who have at some point hurt you, either intentionally or even accidentally. Is that how you want go on living, which is not the life of your

own, but that of being controlled by these strings of grudges from these puppet masters of inflictions? Then be the bigger person. Be willing to forgive and forget. Within "Instant Forgiveness": * How to confront and reconcile with those who inflicted pain to you, to not only let go of your emotional burdens but help them let go of theirs. * How to start each and every day rejuvenated from all negative energies, with the step-by-step process of doing "emotional detoxification." * How to NOT processes those immediate damages done by others, but alter them with the "blind spot pardon" technique to help you see the solutions instead. * How to keep yourself set on your path in life, without thinking nor getting deterred by the emotional baggage of the past. * How to allow the toughest form of forgiveness in your heart, for somebody responsible for the loss of someone close to you. * Plus, custom practical "how-to" strategies, techniques, applications and exercises to forgive others as well as yourself. ...and much more. Forgiveness is more than just about freeing yourself and moving on. It's about being cleansed and reborn to be better than who you were.

This book is special, unusual, but not formidable. You can hardly fully read it without the bible; so it is designed to attract Christian world. Because of the long-standing Church controversies about "being under grace", and "not under the law, there are conflicting ideas of what bornagain Christians' obligations to the Lord are supposed to be if you are under grace. This book attempts to clarify this, in details, and should settle the matter for true truth seekers for good. This is one of the highlights of the book because this matter touches, not only life, but eternal life too. It points out (not with proud holier-than-thou attitude) areas of life Christians need examine & improve upon, with God's help- but it is not a book of doom and gloom. With every such area attention is drawn to, there are way outs and exhortation of what can be done. - pointing to God, (not the book's author) for the Answers. The author hopes you will not hate the book, but welcome it as Exhortations from a loving sister to her well-beloved fellow Christians, and prays it serves as ladder to Newness of life in the Lord Jesus Christ. The book enhances the loving kindness of God to us; and gently tries to wake the Church up, so we stop incurring God's anger, and start seeking His Favour. Another highlight of this book is the "Call" for united Fasting-Prayers crying out to God, humbly and genuinely for the Holy Spirit- anointing and heaven-sent Revival; to help us truly repent, be forgiven and be renewed. Thus seeking for His compassion, it is certain that our Saviour and Lord will in no wise cast us out.

Sin. It's such a common word, especially in the Christian culture. Even though it's a little word in the dictionary, it's a very big word in our lives and how God views us as a people. Each and every person who has ever lived on earth, except for Jesus Christ, has sinned. We are all born into sin. Although our human nature doesn't like to consider ourselves as sinners and we often struggle with calling ourselves sinners, it's a fact of life that we can't ignore. What do we do about sin? Do we try to deny or hide from the fact that we sin? Do we admit to ourselves that we sin? Do we look on our sins as not so bad compared to other people's? Do we feel guilty about our sin or only regret the sin when we've been caught? Do we enjoy the sin and not want to give it up? Do we think of sin as really bad or just what everyone does, and it's a part of life? Merriam-Webster's Dictionary calls sin "reprehensible." If a dictionary gives the meaning of sin as something so horrible sounding, what in the world does our God who is Holy, think about sin? Has our prayer life become stagnant because of our sin? Can we actually separate ourselves from a loving Father because of our sin? Even when Christ lives in us and His blood has washed away our sin, we still sin and will until the day we pass from this earth. How do we draw closer to God when we know that we have sinned and haven't repented?

Degrees of Love and Forgiveness

Forgive and Live

Bringing Clarity to Misconceptions about Grace and Forgiveness

Forgiving As We've Been Forgiven

The Grace of Forgiveness

This book consists of prayers of confession that have been compiled by the "Journey Class," an adult Sunday School class at First Presbyterian Church of Raleigh, North Carolina, in recognition of the church's Bicentennial in 2016. Forgiven provides the reader with a daily prayer of confession, written by pastors at First Presbyterian Church from the late 1980s through 2016. Each month, an assurance of pardon is also provided to remind readers that we are forgiven through the grace and love of Jesus Christ, our Rock and our Redeemer. The prayers of confession found in this book were originally printed in the church's bulletins, to be read aloud in unison during Sunday worship services. The prayers were transferred to electronic form and organized into a daily devotional format by members of the Journey Class.

Forgiveness: Learning How to Forgive by Julia Frazier White is a book for people who have been deeply hurt and caught in a vortex of anger, depression, and resentment. Julia White shares how forgiveness can reduce anxiety and depression while increasing self esteem and hopefulness toward ones future. This fresh new work demonstrates how forgiveness, approached in the correct manner, benefits the forgiver far more than the forgiven. Filled with wisdom and warm encouragement, the book leads the reader on a path that will bring clarity and peace. The act of forgiving is itself an exercise in restoring oneself to wholeness. When a heinous act is committed, sometimes one wonders if forgiveness is even possible. In this ground-breaking book, Dr. White gives us the seven steps that are taken in the forgiveness process. When we forgive, she says, we set a prisoner free and discover that the prisoner we set free is us. In an easy-to-read yet astute analysis of the meaning and value of forgiveness, Dr. White teaches the reader that forgiveness is a way of healing. She takes as her model sound biblical principles and outlines the many subtleties involved in forgiveness, such as distinguishing anger from hate, and noting that we only forgive those we blame (including ourselves). Forgetting may be more difficult, but at least Forgiveness: Learning How to Forgive can help us along the path toward release and healing.

Both grace and forgiveness have been extensively written about in the Christian community, yet too often, both have been misunderstood and misapplied. Much confusion, fear, and spiritual bondage has resulted from believing mistruths that have been taught on these subjects. In this book, the author has drawn on his many years of teaching, study and personal experience to address some of those misconceptions and to share many of the biblical truths of grace that set multitudes free. In his succinct and forthright manner, he opens up the Scriptures to bring clarity and understanding about what grace is and about what the forgiveness of God actually encompasses. He shows that grace is a hundred percent the work of God on our behalf and has nothing to do with our response or our behavior. Everything we have because of our "identification with Christ" is a gift we cannot earn. We can only accept. Forgiveness is one of those gifts we cannot earn and cannot lose because it does not depend on us. It is a gift eternally applied to our lives, based upon the finished work of Christ, not in any way based upon what we do or what we don't do. The author shows us that by renewing our minds to the truths of grace and New Covenant theology, we can learn to reject the law-based teachings of many of our modern churches and learn to "walk in the freedom" of what it means to be in Christ. This book reveals the gospel of amazing grace, the good news of

love and acceptance where you will never be condemned, where the fragrance of the Father's love keeps drawing you into deeper intimacy with Himself, and where the freedom of grace-based living is discovered and struggling to "keep the law" is abandoned.

This book sets out to deepen our moral understanding by thinking about forgiveness: what does it mean for our understanding of morality that there is such a thing as forgiveness? Forgiveness is a challenge to moral philosophy, for forgiveness challenges us: it calls me to understand my relations to others, and thereby myself, in a new way. Without arguing for or against forgiveness, the present study tries to describe these challenges. These challenges concern both forgiving and asking for forgiveness. The latter is especially important in this context: what does the need to be forgiven mean? In the light of such questions, central issues in the philosophy of forgiveness are critically discussed, about the reasons and conditions for forgiveness, but mostly the focus is on new questions, about the relation of forgiveness to plurality, virtue, death, the processes of moral change and development, and the possibility of feeling at home in the world.

Living Age ...

The High Call of Forgiveness

Today You Forgive Me. What About Tomorrow?

Case Studies in the Distortion of a Biblical Ideal

Contrasting Approaches to Concepts of Forgiveness and Revenge

Empowering Strategies for an Enlightened Life

The Forgiving Wife

"In the morning, while it was still very dark, he got up and went out to a deserted place, and there he prayed" (Mark 1:35). Jesus taught by his words and actions. He went by himself to pray when he was tired, when faced with upcoming trying events, or when he just wanted to be alone in the presence of his Lord. He gave us guidance about what to pray, how to pray, and why to pray, and was very familiar with the Hebrew Scriptures. Thus, if we want to become Jesus' disciple we should follow his model and invest time and emotional energy into prayer, Bible study, and reflection. Nourishment For The Spiritual Pilgrimage provides an aid for those who want to participate in the spiritual pilgrimage of becoming a lifelong disciple of Jesus Christ. It offers insight and support for those who daily want to turn their hearts, souls, and minds to God's will in their lives, as they strive to help in bringing about God's kingdom in this present time. There are countless other devotionals, but hopefully this can offer something that many of the others may not, a specific focus on the concept of discipleship.

Forgiveness is not an event, it is a process. Forgiveness is most powerful when a woman reaches midlife: a natural time for reflection when she stands at a biological and emotional crossroads. In this groundbreaking book—the first of its kind for women—acclaimed therapist Tian Dayton shows women how assessing their lives and forgiving old wounds is as essential to their well-being as proper nutrition and retirement planning. In forgiving, we must work through layers of issues, pain and resentment. Because of this, the process is of great psychological, emotional and spiritual benefit. Left unresolved, past hurts wield their power from within and can contribute to depression and anxiety, undermining the immune system and ultimately opening the door to a multitude of diseases. And harboring resentment prevents us from engaging in deep, meaningful relationships. Through solid research, poignant case studies and personal examples, Dr. Dayton guides women through the sometimes painful but healing process to provide the comfort that may have eluded them for years. This beautifully written book will open women's eyes to the liberating power of forgiveness and provide the ability to find true joy.

In her twenty years of coaching employees and executives in leadership and team development, Dr. Tammy Dewar has often guided her clients through the stormy seas of office dysfunction. During the course of this work, she's heard about many bosses. Sadly, most of the stories have been negative. There have been mean bosses, bullying bosses, unfair bosses, unethical bosses, cheap bosses, inept bosses...the list goes on and on. In fact, one of the main themes she's encountered in her work is that it is bosses who are making lives miserable. But the day she asked a group of disgruntled workers what forgiveness for their errant boss might look like — a light went on. As a self-described "recovering festerer" herself, Dr. Dewar began to encourage her clients to apply a series of simple, practical techniques that would free them from the oppression of uselessly held grudges, and How to Forgive Your Boss was born. This lively, breezy, and eminently helpful manual on reconfiguring negative thought patterns into positive ones will most certainly be a great help to anyone who's ever had a bad boss. But its intelligent practices can also be applied to any negative, counter-productive thinking that's creating heavy baggage to drag around.

How did the book, The Forgiving Wife come up? It was the year 2007 when the Holy Spirit prompt me to write about my story. At

first, I was reluctant and pulled back, but the spirit of God kept pressing upon me. I finally decided to start jutting information here and there. As I started to gather more and more memories of my early marriage each day. I realized that I didn't have a name for the book. I then consulted God about giving me a name for the book. Within ten minutes of me asking, the Holy Spirit spoke quite clearly and said calmly, The Forgiving Wife. Not putting up a fight with what I heard and felt, I continued writing. As I gained confidence in writing my book, my marriage once again started to spiral downhill in 2011. I then started to doubt my book and asked what sense was it to continue? There was no way I could finish my book. How would I end it? Not sure of which way to steer my writing anymore, I was forced to stop writing. After taking another blow to my marriage in October of 2015. Two years later I finally realized that my battling marriage was far bigger than my husband and me. This was far beyond our intellect. I realized that we were not walking this road for ourselves but, for someone else. July 30th, 2017, I began to consolidate all of the writing pieces into chapters. After receiving approval from my husband to write about our personal, behind the scenes relationship. I then had a clearer understanding as to why I was writing this book in the first place. It was to help broken and hurting women out there. I wanted to let the world know that Jesus is still in the business of restoring, healing, changing and saving lives! I'm not asking you if Jesus can do it, I'm telling you that he can! I urge readers that if you don't have Jesus as the head of your marriage and home, get him because you will need him! Some battles you win and some you lose. Whatever the case may be, don't allow your marital issues cause you to become so disoriented that you want nothing to do with life anymore. Neither let them allow you to lose your integrity, your dignity, nor your identity! At the end of the day, both spouses must want the same thing. This book is intended to help both men and women. I explained in this book that fighting for your marriage is not an easy fight. As a matter of fact, in the book shows how difficult and discouraging it got for me at times. I talked about how I was at my lowest point. Where I felt like my breath was literally being snuffed away from me, but God! It talks about how I was so confused at times; I almost lost my mind. I do not suggest you stay in a marriage if the situation is life threatening. This book does not talk about having a perfect marriage. As a matter of fact, my book shows that my marriage is still far from perfect, we must learn to accept imperfections as well. You won't regret buying this book. The content is intriguing, the events are interesting and engaging. And the message is authentic!

Experiencing a Real and Comfortable Relationship with Jesus

How Forgiveness Can Save Your Life

Are you ready to view faith and Christianity in the same way you would your favorite pair of jeans? Comfort is essential and so is joy. In *The Blue Jeans Gospel*, author Rob Cruver cuts through misunderstandings and complicated rules and practices of modern Christianity by focusing on its core message of loving, living, and serving others. In this inspiring book, Cruver invites you to love, live, and serve as Jesus did. Through scripture and personal stories, Rob Cruver shows us how to develop a comfortable relationship with Jesus. He teaches us about love and how we should live rationally, with forgiveness and humility. He also encourages us to do this even when the blue jeans aren't necessarily that comfortable. The author's straightforward message of compassion and understanding is both refreshing and uplifting.
