From #1 bestselling author and popular radio and television host Glenn Beck, the powerful follow-up to his national bestseller *Miracles and Massacres*, which was praised as "moving, provocative, and masterful" (Michelle Malkin, bestselling author of *Culture of Corruption*). Everyone has heard of a "Ponzi scheme," but do you know what Charles Ponzi actually did to make his name synonymous with fraud? You've probably been to a Disney theme park, but did you know that the park Walt believed would change the world was actually EPCOT? He died before his vision for it could ever be realized. History is about so much more than dates and dead guys; it's the greatest story ever told. Now, in *Dreamers and Deceivers*, Glenn Beck brings ten more true and untold stories to life. The people who made America were not always what they seemed. There were entrepreneurs and visionaries whose selflessness propelled us forward, but there were also charlatans and fraudsters whose selfishness nearly derailed us. *Dreamers and Deceivers* brings both of these groups to life with stories written to put you right in the middle of the action. From the spy Alger Hiss, to the visionary Steve Jobs, to the code-breaker Alan Turing—once you know the full stories behind the half-truths you've been force fed...once you begin to see these amazing people from our past as people rather than just names—your perspective on today's important issues may forever change.

The campaign concept for Miami's hottest fitness club was Lucy's idea: take one fitness-challenged woman, put her in front of TV cameras, and into the hands of the club's top personal trainer, Theo Redmond. It seems like a brilliant idea-until Lucy gets picked to be the guinea pig. It's stressful enough she has to put down the pizza and start the Pilates - and when she meets Theo in person, she's a whole different kind of bothered... Theo has never met a woman quite like Lucy. Smart-mouthed and stubborn, it's clear she isn't fond of marching to anyone's drumbeat but her own. It isn't long before the simmering tension between them bursts into flames, and Theo learns that when it comes to love and desire, the last thing that matters is size...

Sophie Newton is determined to prove herself to her father, who insists she could never run a successful business. She throws herself into her beachside taco stand, The Sandy Tortilla, and makes it her primary goal to show him that he's wrong, one burrito at a time. When she loses her summer help, Sophie rushes to find a warm body to help take orders. She finds that body—and what a body!—in Montgomery Winters, a struggling actor from LA. It may not be show business, but Mont figures he can write an order for fish tacos. The money's dead useful, though he finds it's the curvy company that really keeps him around. As Sophie and Mont work together, they discover an intense attraction between them. But when Mont's agent calls him about a career-making audition, he decides he must pursue the opportunity, even though he can't get Sophie out of his head. Now, Sophie must choose between chasing after the man she's falling for and the business she's fought so hard to build.
