

Hes Not That Complicated

Hundert schmale Seiten reichen, um die Physik der Moderne zu erklären Wo kommen wir her? Was können wir wissen? Seit ihren umwälzenden Entdeckungen im zwanzigsten Jahrhundert spüren Physiker den Kräften und Teilchen nach, die die Welt im Innersten und Äußersten zusammenhalten. Für jedermann verständlich, hat Carlo Rovelli diese zauberhafte Buch darüber geschrieben. Es stürzte in wenigen Wochen an die Spitze der italienischen Bestsellerliste und wird derzeit in fast zwanzig Sprachen übersetzt. In eleganten, klaren Sätzen erklärt Rovelli die Physik der Moderne: Einstein und die Relativitätstheorie, Max Planck und die Quantenmechanik, die Entstehung des Universums, Schwarze Löcher, die Elementarteilchen, die Beschaffenheit von Raum und Zeit – und die Loop-Theorie, sein ureigenes Arbeitsfeld. Ein Buch, das jeder verstehen kann – ein Lesevergnügen zum Staunen, Genießen und Mitreden können. »Von Natur aus wollen wir immer mehr wissen und immer weiter lernen. Unser Wissen über die Welt wächst. Uns treibt der Drang nach Erkenntnis und lernend stoßen wir an Grenzen. In den tiefsten Tiefen des Raumbewebes, im Ursprung des Kosmos, im Wesen der Zeit, im Schicksal der Schwarzen Löcher und im Funktionieren unseres eigenen Denkens. Hier, an den Grenzen unseres Wissens, wo sich das Meer unseres Nichtwissens vor uns auftut, leuchten das Geheimnis der Welt, die Schönheit der Welt, und es verschlägt uns den Atem.«, schreibt Carlo Rovelli.

Nina Liewald analyses literary representations of so-called 'Islamic fundamentalism' by contemporary authors whose cultural background and approach to the subject matter differs substantially: Hanif Kureishi, Sebastian Faulks, Mohsin Hamid und Yasmina Khadra. The author focuses on the narrative depiction of this complex phenomenon and its economic, religious and sociopolitical framework in selected contemporary novels. The interdisciplinary study is offering contextualised readings and combining narratology, literary and cultural studies with approaches from political science. It explores the potential functions of literature in a highly politicised context and specifically the potential of literature to shed light on radicalisation processes and to promote public discourse and intercultural understanding.

A Pride and Prejudice Story "All your favorite characters are here, but somehow it feels like you're meeting them for the very first time. I adored James Ramos's *That Girl, Darcy*," – Heidi Dosey, author of *Liam Darcy*, *I Loathe You* "Love. You can't tell when you'll catch it or who you'll fall for. But once it happens, it'll change everything for you." IT IS A TRUTH UNIVERSALLY ACKNOWLEDGED that geeky guys never get to date the pretty girls. Elliott Bennett is entering his senior year and finding a girlfriend is the last thing on his mind. That is, until Darcy Fitzwilliam moves into the only mansion in the neighborhood. When Elliott meets Darcy at a party, he finds out that she isn't on skateboarding (which he lives for), she hates science fiction (which he loves), and she thinks his friends are a pack of morons (which, honestly, might be half true)—and, yet, there's something irritatingly intriguing about her. This gender-swapped *Pride and Prejudice* retelling brings back all the original characters in a quirky modern day setting that holds true to the original story while bringing new humor and misunderstandings. That Girl, Darcy is a Teen High School Romance.

In this exciting sequel to *Auriel 3*, the intriguing tale of mans first unwitting contact with an intelligent extra-terrestrial species continues to unfold. Jesse Rigard has kept his promise to the alien Thorga, not revealing their existence to any other human. To Jesses dismay, he learns that a scientific research expedition is going to the Thorgas home planet of Auriel 3. His frantic efforts to become a member of the expedition end in disappointment. Jesse believes his chances of ever seeing the Thorga again are slim., and he is convinced they will think he has betrayed them. Months later, circumstances with the research expedition have gone horribly wrong, and Jesse unexpectedly finds himself on route to Auriel 3. Success means the saving of innocent lives. Failure could mean several deaths including his own. . .

All bets are off as #1 New York Times bestselling author Iris Johansen introduces gambler Logan Tanner, a man with a secret past that’s about to come back to haunt him. Logan Tanner lives the exhilarating life of a professional gambler, taking risks with nerves of steel. From casinos in Macau to Monte Carlo to Milan, he’s racked up a fortune and become a living legend. But all the glitz and glamor hide a dark and violent past as an extractor—a world that comes rushing back to him when the beautiful and innocent Lara Balkon enters his life. Soon Logan is drawn into the conflict between two Russian mafia bosses over Lara, whose life now hangs in the balance. Logan has been offered something more valuable to him than money—information he desperately needs—in exchange for getting Lara out of Russia and to safety. Once together, Tanner discovers that Lara is a force to be reckoned with in her own right. Tanner’s search for the truth leads them to the bright lights of Las Vegas. Where the person who was hunting Lara now lies in wait for them. With the stakes climbing with each deadly confrontation, Logan and Lara are soon catapulted into a game against pure evil. The odds are stacked against them, but it’s a game they know they must play...even if it may cost them their lives.

Every person on the planet has experienced loss; that’s a brutal fact of life. But in these darkest times, we are presented with much more than just grief; we are given the opportunity to learn, heal, and grow. When you reach a place where you can view setbacks as reminders to appreciate the good things in your life, you have taken the first step to owning your destiny as a happier, more joyful, and more successful person. Carlos Wallace, president and CEO of entertainment management firm Sol-Caritas, has known his share of sadness and loss. In those times, he goes back to the lessons he learned from his parents and grandparents. From their hardship, he draws inspiration for strength. In their history, he finds encouragement for his future. The answers you’re looking for are within reach. Perhaps the solution to your problem has already been revealed to you, but how will you know where to find the answers? When things spin out of control and you lose direction, these lessons can help you. Life really isn’t all that complicated. People, on the other hand, are. No matter how long it takes to get to where you need to be, as long as you take that first step, you’ll be further along than if you did nothing at all.

It’s Not Complicated offers a paradigm shift for business professionals looking for simplified solutions to complex problems. Rick Nason introduces the principles of "complexity thinking" which empower managers to understand, correlate, and explain a diverse range of business phenomena.

Quin Cates has known Delaney Lyons forever. But after years away from home, Delaney's a changed woman. A mysterious accident she refuses to talk about has left her hurtingin body and souland acting out in dangerous, and occasionally entertaining, ways. Quin's on the local police force, so he's used to dealing with troublemakers. This one's pretty incorrigiblebut he suspects her flippant exterior is hiding something softer and deeper inside. Every time he has to rescue Delaney from herself, his heart and his hormones both go into overdrive. But he owes it to Delaney's sister to keep an eye on her. He's got some experience with that after spending so much time at it back in high school... Delaney just wants to fend off the gossips, fight off the pain of her past, and make her escape once again. But Officer Cates is ordering her not to leave town, and his interrogation techniques can be very persuasive...

Ein Klassiker der Moderne erstmals bei dt v in einer brillanten Neubearbeitung Die Geschichte von Jay Gatsby, einem einflussreichen Geschäftsmann, der seiner längst verlorenen Liebe nachjagt, wurde zu einem der größten Klassiker der amerikanischen Literatur. Der Roman aus dem Jahr 1925 erzählt von der Genussucht und Langeweile der Roaring Twenties und der Sinnlosigkeit des mondänen Lebens. F. Scott Fitzgerald beschreibt auf einzigartige und authentische Weise sowohl ein Stück Zeitgeschichte als auch menschliche Tragödien. Die schlichte und zugleich poetische Sprache des Romans ist in dieser Neubearbeitung perfekt getroffen. Mit umfangreichem Anhang zu Leben und Werk Fitzgeralds

#1 New York Times Bestseller La La Anthony shares her one-of-a-kind rules on matters of the heart. Star of VH1's La La's Full Court Life, actress, entrepreneur, and wife of New York Knicks star Carmelo Anthony, La La Anthony found love and success on her own terms. But before La La was a strong woman balancing a growing career, a high-profile marriage, and motherhood, she suffered through bad dates, tumultuous relationships, and backstabbing friends. She learned the hard way how to rise above it all to live the life she loves. Now La La channels those lessons into a personal playbook, providing empowering go-to advice for healthy relationships and a happy life. Candidly, she draws on her personal experiences, revealing intimate details about her marriage and past relationships to illustrate what she's learned the hard way: from teaching your man the right way to treat a woman to dealing with a tickle friend and, of course, how to snap a baller. Through her non-nonsense advice on dating, love, marriage, and more, you will learn how to take control of your relationships, rise above adversity, and live your life by your rules. The Love Playbook is the everywoman guide to dating, finding love, building healthy relationships, and staying true to yourself along the way. "The first rule of love is that the ball is in the woman's court."

Forgive and forget is easier said than done ... Spending Easter weekend at their parents' lake house is torture for Zach and Dylan Chamberlain. Zach doesn't care that Dylan and Zach's ex, Emily, are blissfully in love. He's too busy ignoring them and trying to sneak quiet time with his girlfriend Jenna. When youngest brother, Nick, suffocating under the tension at family gatherings, does the unthinkable, he forces a confrontation that threatens to tear the family apart. Caught in the crossfire and desperate for peace, Emily and Jenna devise a plan to mend Zach and Dylan's relationship once and for all. Will their risky plan backfire and drive the brothers further apart, or will everyone finally kiss and make up?

THE ESSENTIAL BOOK FOR ANY SPORTS FAN, FROM ONE OF THE REIGNING KINGS OF SPORTS TALK RADIO, CHRISTOPHER "MAD DOG" RUSSO Which was the greater achievement, Ted Williams' .406 season or Joe DiMaggio's 56-game hitting streak? Who'd be left standing in a battle between Joe Louis and Mohammed Ali? Which NBA team was the greatest of all time—the '66-'67 Celtics? The '71-'72 Lakers? What was the '96 Bulls? Who would dominate the ultimate Pebble Beach showdown—Ben Hogan or Tiger Woods? Who was the most important athlete of the twentieth century? You're a sports fan. You love a good argument and you'll defend your position as fervently as Michael Jordan at crunch time. You'll analyze games and terrible calls, throw out stats to prove a point, and heatedly debate whether a player is an overachiever—or merely overpaid. Now, in his long-awaited and completely original book, Christopher "Mad Dog" Russo sets up and breaks down the one hundred greatest sports arguments of all time. In classic Mad Dog style, each chapter tackles a classic sports debate and takes sides with the clear, step-by-step opinions that have made Russo one of the top radio personalities in the country. The Mad Dog 100 covers it all: from baseball (Who really should go to Cooperstown?), to basketball (Chamberlain, Russell, or Shaq: who's the NBA's most dominant center ever?), to football (Who is the greatest NFL quarterback ever?), to hockey (What are the greatest hockey dynasties of all time?)—and is a catch-all of other crucial modern-day sports questions like: Is instant replay really worth it? What's the true role of performance-enhancing drugs? Are salary caps really necessary? Whether you're reading The Mad Dog 100 or debating these sports arguments with friends, this is the definitive companion for any self-respecting sports fan.

Sie schreibt die Geschichte ihres Hungers. Sie schreibt die Geschichte ihres Körpers. Es ist keine Geschichte des Triumphs. Es ist die eines Lebens, das in zwei Hälften geteilt ist. Es gibt das Vorher und das Nachher. Bevor sie zunahm und danach. Bevor sie vergewaltigt wurde und danach. Roxane Gay, eine der brilliantesten, klügsten und aufregendsten weiblichen Stimmen der USA, erzählt eine Geschichte, die so noch nie geschrieben wurde: schmerzungs offen, verstörend ehrlich und entwandfend zart spricht sie über ihren wilden und undisziplinierten Körper, über Schmerz und Angst, über zwanghaftes Verlangen, zerstörende Verleugnung und Scham - Ich war zerbrochen, und um den Schmerz dieser Zerbrochenheit zu beäuben, aß Ich und aß und aß."

"I, George dreams of returning to her glamorous life in Atlanta. As that life begins to unravel, she discovers a whole new one in Newport where the jogger turns out to be sexy detective and true higger Nathan Caldwell. Determined to get her mind off her many problems—including a possible threat to her own health—George indulges in what she intends to be a no-holds-barred one-night stand with Nathan. Unfortunately, Nathan has other ideas and sets out to have a relationship with her. Tess, on the run from an abusive husband, and Cat, who raised her younger brother and sister, hook up with Nathan's brothers, Ben, an injured Iraqi war veteran, and Ian, a single-father and talented musician. Add a zany cast of seniors who seem determined to drive George slowly mad by their never-ending needs and comparisons to her sainted mother, and you've got the ingredients for a fast-paced, often comical, emotional journey that leads George straight to the home of her heart. "It's a rare treat that you get three gorgeous romances in one story but Marie Force has achieved that with Georgia On My Mind. Ms. Force has seamlessly woven these stories into one magical novel.
