best ways to be sure it connects with as many young readers as possible. If you're wondering what the back end of all of this interactivity looks like, we regret to say that it's not pretty. We know you've spent months or maybe even years polishing your story and your illustrations, and the prospect of spending even more time coding (or maybe even learning) the HTML and CSS for the Kindle format standards and testing your work probably sounds like a slog. And it was - until Amazon released its kids' book publishing tool, Kindle Kids' Book Creator. Kindle Kids' Book Creator makes importing and publishing your illustrated children's story on the Kindle Store fast and painless. In this guide, we'll show you how to install and use Kindle Kids' Book Creator to get your work out there for readers to discover and enjoy. We'll walk you through the process of formatting and publishing your children's book using Kindle Kids' Book Creator step by step, with plenty of tips, tricks and screenshots along the way. In Part 1, we'll walk you through the process of downloading the software and give you some insight into file formats and basic navigation. In Part 2 (the main attraction!), we'll show you how to create a Kindle kids' book from start to finish. We'll also discuss how to add base and pop-up text and edit the book's CSS and HTML. Then, in Part 3 we'll give you an overview of publishing your work on the Kindle Store. In Part 4, we'll show you how to find help if you get stuck. We think you'll find that publishing through Amazon is a snap, and all that time saved will free you up to focus on creating and marketing your work. So without further delay, let's start creating kids' books for Kindle!

And not everything you've read about formatting pictures for Kindle is wrong. The advice offered by Kindle experts and even Amazon itself can give images that are tiny, blocky, noisy, or wildly inconsistent on different Kindles. Aaron Shepard, author of acclaimed books on Kindle and POD publishing, brings his years of experience in book design, webmastering, and photography to bear on a single question: How do you make pictures look great on the Kindle? He answers that question, while also providing beginners a basic course in picture editing. Along the way, he discusses how to keep Microsoft Word from sneakily degrading your pictures; how to adjust HTML code to show images at their best; how to make part of a picture transparent for Night and Sepia modes; how to boost the power of your cover image as a marketing tool; and how to create anything from children's books to poetry books to poetry books with the Kindle Comic Creator. Best of all, you don't have to take his word for any of it. The proof is right in the book, with samples of many kinds of pictures you might use - photos, paintings, drawings, diagrams, tables, screenshots, cover images, and more. Nowhere else will you find such in-depth info on working with Kindle graphics. Whatever you use to create Kindle books - Word, Indesign, a dedicated ebook app, or straight HTML - you'll find Pictures on Kindle a perfect companion to other formatting guides. PICTURES ON KINDLE: Aaron Shepard is a foremost proponent of the new business of profitable self publishing, which he has practiced and helped develop since 1998. He is the author of finding at Amazon, POD for Profit, Perfect Pages, and From Word to Kindle, Amazon's #1 bestselling paid book on Kindle formatting. Have you tried publishing a book before with little to no success?Do you want to start making passive income online? If you answered yes to any of those questions, then this book is for you! Allow me to first introduce myself and let you know why and how I can help you. My name's Adrian Ingram and I've been publishing books on Amazon Kindle for over 2 years now. During this time, I've had amazing success with my books, and have been fortunate enough to replace my income and quit my job. I have published over 100 different titles during this time, and as you can imagine, have learned a lot about what makes a book sell on Amazon! With my particular method, I don't even write the books myself! I outsource the writing to skilled writers that create quality books for me. This has allowed me to publish a large number of books, and achieve the incredible success that I have. Inside this guide, I show you how to find these writers yourself and get your first book written inexpensively within a couple of weeks! Obviously, if you do like to write books yourself, that's okay! All of the strategies I share within this book will work for you too! I've discovered how to choose a quality niche to publish in, how to do keyword research, how to write and format my descriptions correctly, where to get amazing covers made inexpensively, how to get a ton of reviews and much more! I share these things within this book, and take you step by step through the whole process. This process has allowed me to create a passive income of \$200+ per day. These days, I manage to maintain this income in around 4 hours per week. Yep, I'm living the 4 hour workweek thanks to Kindle Publishing - And I want to show you how to do the same! Whether your goal is to publish 1 book or 100, this guide can help you. I've successfully taught a range of people how to self publish on Amazon. I've been featured on podcasts and interviewed for blog posts about Kindle Publishing, and as a result I get messages and emails daily, asking me for advice about Kindle Publishing. That's why I decided to write this book. This is my no-fluff guide to Kindle Publishing, where I explain my whole system and strategy from start to finish. This is the accumulation of over 2 years of trial and error, all available to you for just \$0.99! To sweeten the deal, I even added a free bonus. How to make money on Amazon Kindle of all the ways to make money online, publishing on Kindle/KDP is the easiest and the most over looked. In fact, making money from Kindle is the best ways to live the 'passive income' dream shared by so many marketers. With Kindle Direct Publishing your can make money while you sleep!KDP gives you the opportunity to sell to a huge audience from the tech savvy clients you are used to the stay at home mom and everything in between.In 2010, Amazon announced that e-book sales had surpassed paperback sales on Amazon, which shows you just how big this mammoth opportunity has grown. This is not selling a "make money" book on your own website, that attracts only a few hundred people a day, this is selling to market of millions, possibly even billions of people who have gone online to look for a book like yours to buy!How much profit can you make? It's massive. The top Kindle sellers are making thousands of dollars a day.Selling books online doesn't need to eat away all your time. It is the perfect side business to sink your teeth into. It will help you diversify and overcome the challenges your business faces in today's online world. You can re-use old materials and promote your other websites, products and other businesses.And the best bit? It's easy and scalable. Unlike creating mobile apps or websites, you don't need any skills (other than the basic ability to write - though that's negotiable too) and you can have an eBook up and running and for sale on the marketplace in a matter of hours. BUT there are a few of course caveats. Making money on Kindle isn't easy if you don't know what you're doing. With 4.3 million eBooks available in the US on Amazon right now, it is a saturated market place, and there are several irritating catches you should be aware of. What you really need is a map... Almost like a guidebook that can help you traverse the world of Kindle publishing and avoid the pitfalls and problems along the way while giving yourself the highest chance of success.And guess what? You've got one!In this book, you will learn: How the Kindle ecosystem works and how to thrive in it How to create and publish stunning eBooks How to navigate taxes, commissions and legal aspects How to promote your eBooks How to handle reviews How to use basic 'SEO' to make your books easily discoverable How to price and package your books for optimum sales How to create eBooks quickly - even if you don't know how to write How to 'future proof' your business against future changes How to diversify and appear on other Readers like iBooks, Nook and more! The market is limitlessWhether you have a lot of experience or none, we will show you how to create a compelling eBook you can have online within hours. To begin with you might make a few dollars a week but if you follow the advice in the rest of this book, you could be earning thousands in no time!And the really exciting thing? You will become a professional author and publisher!Are you ready to dive into the world of Kindle publishing? Is that a yes, I hear? Then what are you waiting for? Order now and create your eBook today!

Here is a road map for building a personal eBook, or for making one to publish in the Kindle Store. Experienced and would-be authors will find clear explanations of proven techniques that enable them to create, publish, and promote an eBook in a short time. The author's approach is not hype and theory. He uses three book building projects that have been published to show how his methods work. The first book building project covers a work of fiction. The second deals with the requirements of a nonfiction book. The third shows the particular details of building an anthology of poetry.If you ever thought about writing, but hesitated after realizing how hard it can be to have a book published through the old publishing establishment, here is a method to achieve your aspirations. Amazon's revolutionary Kindle eBook along with its Digital Text Platform for publishing has democratized the industry. Now, YOU can create and market your eBook. Carpe diem!

Achtzehn Monate später:Daisy Smith unternimmt im Gefängnis jetzt, da sie wieder auf freiem Fuß ist, ist es ihr Hauptziel, für ihren kleinen Bruder zurückzubekommen. Der erste Schritt hierfür ist einen Job zu finden. Dank einer glücklichen Fügung kann sie eine Anstellung als Hausangestellte auf dem Matis-Anwesen ergattern. Bereits am ersten Tag trifft sie auf den baskischen Künstler und Splittermann Yas Loch. Kas ist das, was man einen griechischen Gott nennen könnte, darüber hinaus ist er arrogant, abweisend und allgemein kein angenehmer Zeitgenosse. Daisy ist dennoch dankbar für den Job und während sie beide versuchen, die Anziehungskraft zwischen ihnen zu verarbeiten, gelingt es Daisy mehr und mehr, Fassade zu verlassen. Und was sie da entdeckt überrascht sie.

Warum bleiben die Reichen reich und die Armen arm? Well die Reichen ihren Kindern bringen, wie sie mit Geld umgehen müssen, und die anderen nicht! Die meisten Angestellten verbringen im Laufe ihrer Ausbildung lieber Jahr um Jahr in Schule und Universität, wo sie nichts über Geld lernen, statt selbst erfolgreich zu werden. Robert T. Kiyosaki hatte in seiner Jugend einen "Papa Geld". Nachdem er die Ratschläge des Ersten bekommen hätte, konnte er sich mit 47 Jahren zur Ruhe setzen. Er hatte gelernt, Geld für sich arbeiten zu lassen, statt andersherum. In Rich Dad Poor Dad teilt er sein Wissen und zeigt, wie jeder erfolgreich sein kann. Your Kindle e-book is awesome. It should be selling more copies! As a matter of fact, it should be an Amazon bestseller, but it's not. Why are books that are inferior to yours ranking so high, while your book collects digital dust on KDP? Pimp My Kindle Book provides many low cost (most are free), easy-to-complete tasks that can shoot your e-book up the popularity list status in a very short period of time. If you are like most authors, you have already read the e-book improvement classics like Kindle Bestseller Secrets by Derek Doepker, 7 Ways to Sell More Non-fiction Kindle Books by Steve Scott, and Ebook Millionaire by James Calhoun. These are great books, but they only tell part of the story. They can also be difficult to get straightforward story. Pimp My Kindle Book kicks it up a notch, with an energetic and motivational flair. It is a fun read, packed with humor and the personal experiences of an author who has spent time in the trenches and built a reputation, starting from scratch. There are many ways to make your book more sexy to book buyers. Included in this book are methods (although the book works best for non-fiction titles): Learn how to use keywords, so that people will find your book through SEO and internet searches Learn how to create a killer title and subtitle that "gets the click!" Learn the elements of an awesome book cover - How do you get people to click on your book from a list of 10-20 books from Amazon search results

Sell more books on Amazon by creating a book description that translates directly to book orders - learn how to set up your book description with eye-catching formatting, SEO and a call to action! Learn how to maximize the earning potential of your book by understanding the Amazon sales algorithm and associating your book with other bestselling books in the 'Book of the Month' category and expanding your reach by developing an effective and attractive Amazon Author page. Why are book reviews so important? Learn how to get reviews for free and use them in your book marketing. Learn how to price your book for success. These topics are just the highlights of the book. There are many additional topics covered in the book, become a Kindle bestseller. Author Eric Michael has gone from never writing a page of text to writing three bestselling books on the Kindle platform in short order. This book pulls no punches. It describes in detail what has worked and earned book sales, and what has not. Authors are provided an action plan for "sexifying" their books for readers and maximizing the sale.

Selling books on Amazon isn't easy! It's estimated 6,000 new eBooks start out free on Amazon everyday Your book is just a small fish in a big pond! If you want to sell more books - you need to make a plan Indie Author's Toolkit was written for new and experienced authors alike. It's a guide to optimizing your book for Kindle, but - it doesn't stop there. Too many authors miss their destination for their books. They're so caught up in optimizing their book for Amazon, running KDP Free Days, Countdown Deals, and cycling prices that they forget - Millions of people have never bought a Kindle book, let alone any kind of eBook. You need to explore other self-publishing platforms that will allow you to maximize revenue from your book. Here is a step by step guide to explore 1. Create Space 2. Audible (ACX) 3. Babelcube 4. Smashwords 5. Barnes & Noble 6. Google Play & Google Books 7. Kobob For you hardcore Amazon addicts, I'm going to share a little information that can help you, too. There are no secrets Nook. No magical incantations you can invoke to sell more books on Amazon, or any other online book site. Books is all about how you manage the basics. It's about - 1. Writing a good book 2. Selecting a killer title 3. Creating an attention grabbing cover 4. Writing a book description that compels readers to click the buy button 5. Choosing keywords that drive searches to your book 6. Ensuring your 'look inside' sample sells your book If you can do these six steps well - on any of them, and you're going to have problems. But,

"User Story Mapping" ist in den USA längst ein Bestseller. Die von Jeff Patton entwickelte Methode knüpft an bewährte Ansätze aus der Agilen Entwicklung an und erweitert sie. Die Idee: Die Produktentwicklung wird detailliert am Arbeitsfluss der Nutzer ausgerichtet und in Story Maps kontinuierlich dokumentiert und illustriert. Dadurch entsteht im gesamten Team - bei Entwicklern, Designern und beim Auftraggeber - ein deutlich verbessertes gemeinsames Verständnis vom Gesamtprozess und vom zu entwickelnden Produkt. Gleichzeitig wird die Gefahr reduziert, sich in unwichtigen Details zu verzetteln oder gar ein Gesamtprodukt zu entwickeln, das dem Nutzer nicht hilft.

The self-publishing journey isn't always easy or cheap. Some things—like editing and cover design—should be left to paid professionals, but you can save money and achieve great results formatting your own e-book. DIY e-book formatting may seem daunting, but new tools—paid and free—make it fairly easy for most fiction manuscripts. These tools are discussed early in this guide so you will have a short read if one of them works for you. If your manuscript is more complicated (e.g., a nonfiction book with tables, list items, images, footnotes, and other specially formatted elements), this guide will explain everything you need to produce a professional and pleasing e-book. Advanced formatting is accomplished with HTML and CSS, but you won't need any prior experience or knowledge of either of these as the guide includes a tutorial to teach you everything you need to know. The end result of using this book will be a well-formatted EPUB e-book that can be submitted to Amazon, Apple, Kobo, Nook, and any other e-book publishing platform (NOTE: If you are looking at other guides that mention needing a MOBI file for Amazon, you are looking at an outdated guide as that is no longer best practice). Here are some specific things that you will get from reading this book. 1. A discussion of some useful tools, including Atticus, BBEdit, BlueGriffon, Calibre, Draft2Digital, Jutoh, Kindle Create, Kindle Previewer, LibreOffice Writer, Notepad++, Online HTML editors, Reedsy Book Editor, and Vellum. 2. Pluses and minuses of using Microsoft Word. 3. How to create a standard, clickable table of contents. 4. How to create a "logical" table of contents (used for the "Go To" menu or sidebar on your e-reading device or app). 5. HTML and CSS (styling) basics and a look at specific issues that are relevant to e-books and Amazon Kindle e-books in particular. 6. A template with HTML and CSS code that should work for any type of book formatting need. 7. How to create "standard" paragraph styles for different types of books. 8. How to add drop caps or small caps to your initial chapter paragraphs. 9. How to format complex elements such as internal and external links, images, tables, list items, block quotations, special fonts, and more. 10. How to create a final EPUB document (with proper metadata and cover art) from your original document or from an HTML version. 11. How to check your final EPUB for errors before submitting to online publishers. 12. An appendix summarizing the author's personal process to use as a quick checklist reference.

How to Write a Kindle Ebook takes you through the process of writing an ebook using Microsoft Word, then uploading it to Kindle Direct Publishing and selling it on Amazon. There's advice and guidance at every stage, with worked examples including screenshots, and ways to overcome practical problems you're likely to encounter. The book is carefully researched, and includes quotes from experts where they help to understand particular issues and topics. Ebooks and independent publishing have created fantastic opportunities for authors, but there are pitfalls to avoid too. Because this is an independent guide, it will warn you about the potential traps as well as pointing out the benefits of publishing for Kindle. What categories sell best and how long should your book be? How should you format it, and how do you create footnotes and a Table of Contents? How can you ensure that your images are of good quality in the finished product, but don't swell your file size and eat into your profits? How do you create your book's cover? How do you upload your work to Kindle Direct Publishing? What's the best way to market it? Find the answers to these questions and more, in a single resource. Less time spent searching for tips on the publishing process, in sources scattered across the web, means you can devote more time to what really matters - the content of your book. How to Write a Kindle Ebook is a reliable, step-by-step guide to publishing an ebook via Kindle Direct Publishing. At each stage it will be your trusted companion, answering your questions and guiding you through the process - making it stress-free, and ensuring a successful result. My website, [howtowriteanebook.info](http://howtowriteanebook.info), accompanies this book and has copies of all the images and references.
