A delightfully addictive compendium of fascinating word facts that does for the dictionary what *Eats, Shoots, and Leaves* did for the manual of style. With the easy erudition and lively wit that have won her legions of fans, Canada's "Word Lady" reveals the entertaining histories behind 500 of the most common words and phrases in the English language. Who knew that "travel" is derived from an instrument of torture? That "tragedy" originally had something to do with goats? That "glamour" and "grammar" started out as the same word? Katherine Barber's captivating collection is organized by season, so readers can open to Valentine's Day to learn about the origins of "passion fruit" or flip to Thanksgiving to find out why there aren't any turkeys in Turkey. An irresistible blend of entertainment and enlightenment, this delightful book will captivate the word lover in all of us.

Ashley was beautiful and delicate, easily

pleased and effortlessly broken. The unexpected death of pop star Ashley Noelle came as a shock to her family, friends, and fans. Ashley's best friend Rachel Casper rushes home from college to find that Ashley left behind a journal filled with dark secrets and confessions. Rachel quickly sinks into Ashley's world of highs and lows, friends turning into enemies, boys that broke her heart, fans that crossed the line and secrets she'd shamed herself into keeping. Ashley's journal unintentionally gives away clues about her death, but Rachel doesn't know this yet. She has no idea that the journal she's reading opens up a lot more than Ashley's insecurities. It names the people responsible for the end of her life.... There are two kinds of secrets; the kind you want to keep in, and the kind you don't dare let out.

What *Maisie Knew* (1897) represents one of James's finest reflections on the rites of passage from wonder to knowledge, and the question of their finality. The child of violently divorced parents, Maisie Farange opens her eyes on a distinctly modern world. Mothers and fathers keep changing their partners and names, while she herself becomes the pretext for all sorts of adult sexual intrigue. In this classic tale of the

death of childhood, there is a savage comedy that owes much to Dickens. But for his portrayal of the child's capacity for intelligent 'wonder', James summons all the subtlety he devotes elsewhere to his most celebrated adult protagonists. Neglected and exploited by everyone around her, Maisie inspires James to dwell with extraordinary acuteness on the things that may pass between adult and child. In addition to a new introduction, this edition of the novel offers particularly detailed notes, bibliography, and a list of variant readings. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

What he wants, he takes! Cruelly discarded on her wedding night, Noelle Ducasse buries the shame of being an untouched bride—creating a new, glamorous life to mask the relentless ache of loneliness. Until Ammar returns... The image of Noelle's guileless eyes

lingers with Ammar still. Noelle can refuse him all she likes, but this time the ruthless Ammar will not be denied. He'll spend each moment of each night proving that—no matter how much her mind denies it—she will melt under her husband's exquisite touch....

In the hearts of all mankind, of whatever race or station in life, there are inexpressible longings for something they do not now possess. This longing is implanted in the very constitution of man by a merciful God, that man may not be satisfied with his present conditions or attainments, whether bad, or good, or better. God desires that the human shall seek the best, and find it to the eternal blessing of his soul. Satan, by wily scheme and craft, has perverted these longings of the human heart. He makes men believe that this desire may be satisfied by pleasure, by wealth, by ease, by fame, by power; but those who have been thus deceived by him (and they number myriads) find all these things pall upon the sense, leaving the soul as barren and unsatisfied as before. It is God's design that this longing of the human heart should lead to the One, who alone is able to satisfy it. The desire is of Him that it may lead to Him, the fullness and fulfillment of that desire. That fullness is found in Jesus the Christ, the Son of the Eternal God. "For it was the good pleasure of the Father that in Him should all the

fullness dwell;" "for in Him dwelleth all the fullness of the Godhead bodily." And it is also true that "in Him ye are made full" with respect to every desire divinely implanted and normally followed. Haggai calls Him "the Desire of all nations," and we may well call Him "the Desire of all ages," even as He is "the King of ages." It is the purpose of this book to set forth Jesus Christ as the One in whom every longing may be satisfied. There is many a "Life of Christ" written, excellent, books, large funds of information, elaborate 'essays on chronology and contemporaneous history, customs, and events, with much of the teaching and many glimpses of the many-sided life of Jesus of Nazareth. Yet it may be truly said, "The half has never been told." It is not, however, the purpose of this work to set forth a harmony of the Gospels, or even to give in strictly chronological order the important events and wonderful lessons of the life of Christ; its purpose is to present the love of God as revealed in His Son, the divine beauty of life of Christ, of which all may partake, and not to satisfy the desires of the merely curious nor the questionings of critics. But even as the attraction of His own goodness of character Jesus drew His disciples unto himself, and his personal presence by His sympathetic touch and feeling in all their infirmities and needs, and by his constant association, transformed their characters from the earthly to the heavenly, from the selfish to the sacrificing, from the small hearted ignorance and prejudice to large hearted knowledge and profound love for souls of all nations and races, even so it is the purpose of this book so to present the blessed Redeemer as to help the reader to come to Him face to face, heart to heart, and find in Him even as did the disciples of old, Jesus the Mighty One, who saves "to the uttermost," and transforms to His own divine image all of those who come unto God by Him. Yet how impossible it is to reveal His life! It is like attempting to put upon canvas the living rainbow; into characters of black and white the

informs and amuses in equal measure. "Will not fail to enhance months, even years, of gentle urban exploration...Any number of morning or weekend outings can be constructed from these rich pages... the selections and observations remain unfailingly interesting." --The Guardian (UK) I Never Knew That: Tucked away below Clive Steps at the end of King Charles Street can be found the small underground rooms where Winston Churchill and the War Cabinet met during the air raids of the Second World War. The first-ever Valentine Card was written from the Tower, where in 1415 the recently imprisoned Duke of Orleans composed a love poem to his wife. The measurement of one foot comes from the length of the foot of St. Algar's statue, carved on the base of one of the columns near the entrance of St. Paul's Cathedral. The design for the traditional wedding cake is drawn from the steeple of St. Bride's church in Fleet Street.

The Man Who Knew Too Much and other stories (1922) is a book of detective stories by English writer G. K. Chesterton, published in 1922 by Cassell and Company in the United Kingdom, and Harper Brothers in the United States. The book contains eight connected short stories about "The Man Who Knew Too

*Much", and additional unconnected stories featuring separate heroes/detectives. The United States edition contained one of these additional stories: "The Trees of Pride", while the United Kingdom edition contained "Trees of Pride" and three more, shorter stories: "The Garden of Smoke", "The Five of Swords" and "The Tower of Treason". This contains the first 8 of the 12 stories in the published book *The Man Who Knew Too Much and Other Stories*. In these 8 detective thrillers, the main protagonist is Horne Fisher. (The omitted four are individual stories with separate heroes/detectives.) Due to close relationships with the leading political figures in the land, Fisher knows too much about the private politics behind the public politics of the day. This knowledge is a burden to him because he is able to uncover the injustices and corruptions of the murders in each story, but in most cases the real killer gets away with the killing because to bring him openly to justice would create a greater chaos: starting a war, rekindling Irish rebellions, or removing public faith in the government. A film of the same title was made in 1934 and remade in 1956, both directed by Alfred Hitchcock, but the films had nothing at all in common (except the title) with these short*

stories. Hitchcock decided to use the title simply because he had the rights for some of the stories. (Reference: Wikipedia) THE FACE IN THE TARGET (Excerpt) HAROLD MARCH, the rising reviewer and social critic, was walking vigorously across a great tableland of moors and commons, the horizon of which was fringed with the far-off woods of the famous estate of Torwood Park. He was a good-looking young man in tweeds, with very pale curly hair and pale clear eyes. Walking in wind and sun in the very landscape of liberty, he was still young enough to remember his politics and not merely try to forget them. For his errand at Torwood Park was a political one; it was the place of appointment named by no less a person than the Chancellor of the Exchequer, Sir Howard Horne, then introducing his so-called Socialist budget, and prepared to expound it in an interview with so promising a penman. Harold March was the sort of man who knows everything about politics, and nothing about politicians. He also knew a great deal about art, letters, philosophy, and general culture; about almost everything, indeed, except the world he was living in. Abruptly, in the middle of those sunny and windy flats, he came upon a sort of cleft almost narrow

enough to be called a crack in the land. It was just large enough to be the water-course for a small stream which vanished at intervals under green tunnels of undergrowth, as if in a dwarfish forest. Indeed, he had an odd feeling as if he were a giant looking over the valley of the pygmies. When he dropped into the hollow, however, the impression was lost; the rocky banks, though hardly above the height of a cottage, hung over and had the profile of a precipice. As he began to wander down the course of the stream, in idle but romantic curiosity, and saw the water shining in short strips between the great gray boulders and bushes as soft as great green mosses, he fell into quite an opposite vein of fantasy. It was rather as if the earth had opened and swallowed him into a sort of underworld of dreams. And when he became conscious of a human figure dark against the silver stream, sitting on a large boulder and looking rather like a large bird, it was perhaps with some of the premonitions proper to a man who meets the strangest friendship of his life... Gilbert Keith

Chesterton, (29 May 1874 - 14 June 1936), better known as G. K. Chesterton, was an English writer, poet, philosopher, dramatist, journalist, orator, lay theologian, biographer,

and literary and art critic. Chesterton is often referred to as the "prince of paradox". Time magazine has observed of his writing style: "Whenever possible Chesterton made his points with popular sayings, proverbs, allegories—first carefully turning them inside out." Chesterton is well known for his fictional priest-detective Father Brown, and for his reasoned apologetics. Even some of those who disagree with him have recognised the wide appeal of such works as *Orthodoxy* and *The Everlasting Man*. Chesterton routinely referred to himself as an "orthodox" Christian, and came to identify this position more and more with Catholicism, eventually converting to Catholicism from High Church Anglicanism. George Bernard Shaw, his "friendly enemy", said of him, "He was a man of colossal genius." Biographers have identified him as a successor to such Victorian authors as Matthew Arnold, Thomas Carlyle, Cardinal John Henry Newman, and John Ruskin.

CARNEGIE MEDAL * 'Oh, what a book this is! Hoffman's exploration of the world of good and evil, and the constant contest between them, is unflinching; and the humanity she brings to us - it is a glorious experience. The

book builds and builds, as she weaves together, seamlessly, the stories of people in the most desperate of circumstances - and then it delivers with a tremendous punch. It opens up the world ... in a way that is absolutely unique. By the end you may be weeping' Elizabeth Strout, Pulitzer Prize-winning author of *Olive Kitteridge* In Berlin in 1941 during humanity's darkest hour, three unforgettable young women must act with courage and love to survive, from the New York Times bestselling author of *The Dovekeepers* and *The Marriage of Opposites* Alice Hoffman. In Berlin, at the time when the world changed, Hanni Kohn knows she must send her twelve-year-old daughter away to save her from the Nazi regime. She finds her way to a renowned rabbi, but it's his daughter, Ettie, who offers hope of salvation when she creates a mystical Jewish creature, a rare and unusual golem, who is sworn to protect Lea. Once Ava is brought to life, she and Lea and Ettie become eternally entwined, their paths fated to cross, their fortunes linked. Lea and Ava travel from Paris, where Lea meets her soulmate, to a convent in western France known for its silver roses; from a school in a mountaintop village where three thousand Jews were saved. Meanwhile,

*Ettie is in hiding, waiting to become the fighter she's destined to be. What does it mean to lose your mother? How much can one person sacrifice for love? In a world where evil can be found at every turn, we meet remarkable characters that take us on a stunning journey of loss and resistance, the fantastical and the mortal, in a place where all roads lead past the Angel of Death and love is never ending. "For thirty years now, David Antin has been producing fascinating meditations that he calls 'talk poems.' Beginning in actual talk, they take their textual form from strenuous thinking about a given set of puzzles or problems, tackling "ideas" via narrative networks, as poignant and profound as they are hilarious. The situations are always taken from everyday life, but the mode is one of intense defamiliarization. In these, the most recent of

*Fugitive Rachel Nolander is a newcomer to the city of Dogsland, where the rich throw parties and the poor just do whatever they can to scrape by. Supported by her brother Djoss, she hides out in their squalid apartment, living in fear that someday, someone will find out that she is the child of a demon. Corporal Jona Lord Joni is a demon's child too, but instead of living in fear, he keeps his secret and goes about his life as a cocky, self-assured man of the law. The first book in the Dogsland Trilogy, *Never Knew Another* is the story of how these two outcasts meet.*

G.A. Henry defended a slave in court, but years later he fought for the Confederacy. The question is why?

Continuing the creative nonfiction narrative she began in her first book, All Bones Be White, Judith Shearer--whose family owned slaves--teams up with Derek Boyd

Hankerson--some of whose family were slaves--to reveal Henry's motivations in the second part of an action-packed trilogy. In the book, you'll learn why some blacks fought for the South during the Civil War, how DNA testing is helping uncover new information about the past, and the black experience in the Southern states leading up to our nation's deadliest war. More importantly, you'll find out what happened to Cassy, the Kentucky slave who was put on trial for allegedly killing a white woman. Henry did his best to save her life, but what happened would change the course of his life. Delve into an important story that's been forgotten for too long, and gain a clearer picture of what the South was like for blacks before and during the nation's split with Belonging: The Civil War's South We Never Knew.

This book is based upon Christ's words and tells you how you can know for sure that you are saved and will spend eternity in heaven. There are many false plans of salvation being taught by the great preachers of today which will not save you or prevent you from standing before Christ at the Great White Throne Judgement. When one stands before

Christ at this judgement, they will be cast into the lake of fire for all eternity. : "I Never Knew We Were Poor" provides an account of my childhood in the first ward of Newark, NJ, before the middle of the Twentieth century. This is a story of a time and place removed from this point in time. Isolated. Many people can empathize with the deplorable conditions described in the book, but only those who have experienced them can truly understand them. It is a testimony to the fact that suffering and want are not prejudiced to nor by ethnicity, nationality nor sex. Moreso, it is the significance of love, ingenuity, commitment, and relationships in overcoming the problems that life throws at us and uplifting our experiences. There is also a compelling spiritual essence that is difficult to ignore. This is a story I thought about writing for years. No research nor fact finding has been done to corroborate my

with consequences that have made the black race a perpetual underclass. Author Robert Price documents the current war on black men and its devastating effects on black families. He believes few people know that Lincoln fought to prevent a second Civil War and its tragic lasting sectional and racial hostilities. He traces a clear history of the castration of Congress and the trashing of our Constitution by our Supreme Courts and presidents, who have assumed imperialistic powers. Price cites past and present examples of misused power and force, including the war against marriage by radical feminists and foolish restrictions on personal freedoms by religions and our government. He suggests commonsense measures to reverse the nations course, regain lost freedoms, reduce class warfare, stop the war on the black race, and remove barriers to good racial relationships and the upward mobility of African Americans. They Knew Jesus

What happens when a respected Christian journalist decides to put his preconceptions aside and take a long look at the Jesus described in the Gospels? How does the Jesus of the New Testament compare to the 'new, rediscovered' Jesus -- or even the Jesus we think we know so well? Best-selling author Phillip Yancey says, 'The Jesus I got to know in writing this book is very different from the Jesus I learned about in Sunday school. In some

ways he is more comforting; in some ways more terrifying.' Yancey offers a new and different perspective on the life of Christ and his work -- his teaching, his miracles, his death and resurrection -- and ultimately, who he was and why he came. Relating the gospel events to the world we live in today, *The Jesus I Never Knew* gives a moving and refreshing portrait of the central figure of history. With a willingness to tackle difficult questions, Yancey looks at the radical words of this itinerant Jewish carpenter and asks whether we are taking him seriously enough in our own day and age. From the manger in Bethlehem to the cross in Jerusalem, Yancey presents a complex character who generates questions as well as answers; a disturbing and exhilarating Jesus who wants to radically transform your life and stretch your faith. *The Jesus I Never Knew* uncovers a Jesus who is brilliant, creative, challenging, fearless, compassionate, unpredictable, and ultimately satisfying. This honest book will help you discover a different Jesus from the flannelgraph Sunday school figure, the sweetly smiling Victorian Savior, and all the cultural clichés that have tamed Jesus and kept him in comfortable religious boxes. According to

Yancey, 'No one who meets Jesus ever stays the same. In the end I found the process of writing this book to be a great act of faith-strengthening. Jesus has rocked my own preconceptions and has made me ask hard questions about why those of us who bear his name don't do a better job of following him.'

*****Literary Titan Gold Award Winner***** The coach's guide to beating the Freshman Fifteen, Sophomore Slump, crippling anxiety, and your worst hangover! Learn to take care of yourself, and de-stress throughout your undergrad years and beyond. Every fall, millions of young adults crash into college fired up for the best four years of their lives, ready to experience campus life, take classes about things they're interested in, and meet people from all over the world. Most students, however, are better prepared to pick their major or talk to strangers than they are to take care of themselves in the college setting. College students today are more depressed, anxious, and stressed than previous waves of students; they're also more sedentary, not really exercising, and living in a meal-plan limbo supplemented with ramen and coffee. In this comprehensive field guide, high school coaches Jill and Dave Henry break

down the facts and deliver doable, no-BS strategies for managing physical and mental health on campus. In addition to helpful, interactive graphics, the coaches share their relatable true stories—ranging from the ridiculous to the serious—to discuss the five biggest health obstacles students face in college. On top of research-backed tips, *The Greatest College Health Guide You Never Knew You Needed* also features raw and personal advice from current students on college campuses across the country. While simply figuring out what to eat and how to exercise can be completely overwhelming, this guide goes beyond a basic crash course on how to be healthy. Jill and Dave cover everything from crucial time-management skills to the complex sensitivity of self-doubt, sexual assault, and depression with humor, humility, and heart. *The Greatest College Health Guide You Never Knew You Needed* is a complete road map for how to take care of your mind and body that will not only set students up to crush the next four years, but will also provide a foundation they can carry with them for the rest of their lives.

I Never Knew That About London

If you could meet yourself, come face-to-face with the person you truly are, would you want to? This is the question Samuel L. Jones asks himself in "The Man I Never Knew: How Leadership Can Be Developed by Faith, Family, and Friends." A native of the Mississippi Delta and former college athlete, Dr. Jones earned a bachelor's and master's degree from the University of Southern Mississippi and earned a PhD from Mississippi State University. He eventually became the dean of student affairs at Jones County Junior College. However, he realizes all too well that his life could have taken a different path, one of failure and hopelessness. In exploring the influences and opportunities that prepared him for a position of leadership, Dr. Jones inspires us to examine our own experiences and discover the leadership skills that are hidden within each of us. About the Author Samuel L. Jones received his doctorate in community college leadership from Mississippi State University in 2006. He also has a bachelor's degree in advertising (1997) and a master's degree in public relations (2002) from the University of Southern Mississippi. He is currently the dean of student affairs at Jones County Junior College in Ellisville, Mississippi.

Jones has held several campus positions prior to becoming the dean of student affairs. He served as the assistant basketball coach from 1999 to 2003, student recruiter from 1999 to 2006, and assistant dean from 2003 to 2006. Having spent ten years developing his leadership skills in athletics and the administration forum, he is committed to being a trailblazer in the lives of his students and his community.

'Holding me around the waist he drew me close to him.

"And which of us do you prefer, Michael? You can tell me, it won't get back to Brother Price.'" Michael

Clemenger was handed over as a baby to the unloving care of a religious-run children's home. Aged eight, he was transferred to St Joseph's Industrial School. Chosen as their 'favourite' by two Christian Brothers, Michael endured years of sexual abuse at the hands of both men. Brother Price struck at night, while Brother Roberts took pleasure in a weekly bathtime ritual. Although everybody at the institution knew, even the two Brothers'

'protection' did not save Michael from merciless beatings by other sadistic men charged with his care. Despite the unbelievable trauma of his early life, Michael emerged unbroken and determined to make something of himself. Everybody Knew is a story of remarkable spirit and courage.

AMERICAN SYSTEMS, CHURCH, EDUCATION, FAMILIES, GOVERNMENT, HOMES, NEIGHBORS, WORK This book focuses on a personal story of the multitude of struggles, survival and thriving techniques a three generational set of families met and overcame during a 100 year period. Two decades ago, someone wrote asking this question 'IS GOD DEAD?' If you could question thousand of black citizens the answer would be 'No God is alive. Without Him I would be dead.' Today a major struggle is 'What is

wrong with the teachers"? Without the teachers in our lives many of us would be far worse off than it appears. Is your family falling apart today? The family still is the backbone unit especially when we have children in our society depending on the adults for guidance. Do you know your local city, county and state government officials? How do you interact with these representatives? Discover how you can do more than just vote. What are the characteristics of a good neighbor? What happen when work is not available? Imagine having faith, seeking community harmony, spreading love, offering hope, and maintaining joy, being patient, peaceful and exhibiting absolute self-control.
