Written by an experienced teacher and senior examiner with an in-depth understanding of teaching and assessments for the IB psychology SL and HL courses. This new TestPrep book helps students to familiarise themselves with the psychology SL and HL exams. It provides information about the approach of the papers and the types of exam questions they will come across. Students can practice answering the questions by writing directly into the book, just like they do in the exam. And, as they work through, there are strategies, hints and support for answering the questions PLUS fully worked solutions at the end. From some excellent and unique practice questions for Paper 1 to invaluable advice from the experts on how to tackle Paper 2 (plus some unseen stimulus material for HL students for Paper 3), this book provides essential exam practice support for students revising for their psychology exams. Students will: understand what to expect from the psychology exam papers - with a breakdown of the format of Paper 1 (SL and HL), Paper 2 (SL and HL) and Paper 3 (HL only), the command terms and the assessment objectives see example answers to Paper 1, Paper 2 and Paper 3-style questions - with brand new, unseen sample answers to exam-style questions and answer analysis from the point of view of an examiner test themselves - with three complete sets of exam-style psychology practice papers (the first set includes loads of additional tips, examiner commentary and support to guide students to achieve high marks; the second set has fewer helpful prompts; the last set has no additional help and is designed so students can have a go at it themselves!) check answers - with fully-worked solutions in the back of the book.

Directly linked to Oxford's bestselling DP Psychology resources, this new Course Preparation resource thoroughly prepares students to meet the demands of IB Diploma Programme Psychology. Ideal for students who have studied non-IB courses at pre-16 level, the text introduces learners to the IB approach, terminology and skills. The focus for this resource is to build understanding of the key concepts and skills and use the DP content to introduce and articulate the bigger concepts and skills so that students are prepared for their Diploma course. Topics and concepts will be introduced and covered using real world examples, case studies and applications. Content will be formally scaffolded to help students both build skills and content knowledge so that they are well prepared for their course and absorb DP knowledge more effectively. This book does not replace the course book content for DP but is in line with the latest DP syllabus updates including assessment details, subject terminology and syllabus content.
