Leadership Challenge

Who's who in Finance and Industry

Ein Leadershipbuch, das alle anderen in den Schatten stellt! Basierend auf umfangreicher Forschung und Interviews mit Führungskräften auf allen Ebenen (öffentlicher und privater Unternehmen weltweit) befasst sich das Buch mit dem anhaltenden Interesse an Leadership als kritischem Aspekt menschlicher Organisationen. Kouzes und Posner, die führenden Leadership-Experten unserer Zeit, zeigen, wie Führungskräfte mit Visionen Außergewöhnliches erreichen. Mit packenden Geschichten und tiefen Einsichten befassen sie sich eingehend mit den fundamentalen Aspekten von Leadership, um dem Leser dabei zu helfen, mit der sich stetig verändernden Welt Schritt zu halten. Die Autoren ergreifen dabei die Gelegenheit zu unterstreichen, dass Leadership nicht nur jeden angeht, sondern, dass es sich dabei um eine Beziehung handelt: eine Beziehung zwischen der eigenen Weiterentwicklung und der Entwicklung derer, die geführt werden. 'Es hat mir nicht nur Spaß gemacht ... ständigt ertappte ich mich dabei, zu nicken und zu mir selbst zu sagen: 'Das ist richtig! So wird es gemacht! So fühlt es sich an!' Die Autoren haben es geschafft, die Quintessenz dessen, was ich für das Herzstück von sich verändernder Leadership halte, zu erfassen.' Robert D. Haas, Vorsitzender und CEO, Levi Strauss & Co. 'Leadershipüber gibt es wie Sand am Meer und die meisten überdauern keine Woche, ganz zu schweigen von Jahren. The Leadership Challenge gibt es immer noch, weil es auf Forschung beruht, es praktisch ist und Herz besitzt. Glauben Sie mir, Jim Kouzes und Barry Posner haben harte Beweise für ein Thema, das wir normalerweise als weich betrachten.' Tom Peters, Management-Guru, Gründer und Vorsitzender, Tom Peters Company '25 Jahr lang habe ich über Leadership geschrieben und darüber gelehrt. The Leadership Challenge ist eines der fünf besten Bücher, die ich jemals gelesen habe. Ich empfehle es fortlaufend anderen Menschen.' John C. Maxwell, Gründer von The INJOY Group, einem Unternehmen zur Beratung und Training von Führungskräften in USA und Kanada 'Jim Kouzes und Barry Posner haben die praktischste, verständlichste und inspirierendste Forschung zum Thema Leadership verfasst, die ich je gelesen habe. Anstelle einer weiteren Version von 'Promi Leadership', hilft The Leadership Challenge dabei, praktische Weisheiten von realen Führungskräften aller Ebenen in unterschiedlichen Arten von Unternehmen zu erfahren. Jede Führungskraft kann sich auf das Wissen in diesem Buch beziehen.' Marshall Goldsmith, Bestseller-Autor und bei Forbes als einer der 5 Top-Trainer für Führungskräfte genannt

A "thoughtful" historical and sociological look inside the fraternity that's shaped men from W.E.B. DuBois to Martin Luther King, Jr. to Thurgood Marshall (Choice). On December 4, 1906, on Cornell University's campus, seven black men founded one of the greatest and most enduring organizations in American history. Alpha Phi Alpha Fraternity Inc. has brought together and shaped such esteemed men as Martin Luther King Jr., Cornel West, Thurgood Marshall, Wes Moore, W.E.B. DuBois, Roland Martin, and Paul Robeson. "Born in the shadow of slavery and on the lap of disenfranchisement," Alpha Phi Alpha—like other black Greek-letter organizations—was founded to instill a spirit of high academic achievement and intellectualism, foster meaningful and lifelong ties, and racially uplift those brothers who would be initiated into its ranks. In Alpha Phi Alpha, Gregory S. Parks, Stefan M. Bradley, and other contributing authors analyze the fraternity and its members' fidelity to the founding precepts set forth in 1906. They discuss the identity established by the fraternity at its inception, the challenges of protecting the image and brand, and how the organization can identify and train future Alpha men to uphold the standards of an outstanding African American fraternity. Drawing on organizational identity theory and a diverse array of methodologies, the authors raise and answer questions that are relevant not only to Alpha Phi Alpha but to all black Greek-letter organizations.
