The Vest-pocket MBA

A reference work containing facts, statistics and formulae which explains the key topics in accounting, economics, finance, international business, management, marketing and manufacturing. It is also a directory providing demographics for over 50 different business topics. If there is a certainty in the investment world, it is that everything is in flux all the time. Information, trends, ideas, and new systems come and go with dizzying rapidity. How are investors to keep up with

Download File PDF Mba Vest Pocket Guide

all the change, all the information needed to stay abreast of the markets? The International Investment Sourcebook is an attempt to solve these problems. In this fascinating resource, market experts Shim and Siegel explain the world of investment and discuss everything from lead investors to the best investment news publications and sources, computer software, and service providers. Not only do the authors tell the reader where to find relevant information, but also they analyze, explain, illustrate, and demonstrate how to apply major and minor

Download File PDF Mba Vest Pocket Guide

concepts, terms, ratios, and a host of other variables: their explanations are simple, clear and concise. Among the hundreds of topics covered are: what moves the markets and why; benefits and costs of good investment information; market benchmarks and how they help investors succeed; on-line data services and what they can provide; investment software; finding and understanding company information; etc. Today's business environment is a competition, and business managers need the right game plan if they want to win. Successful businesses do a lot of the

Download File PDF Mba Vest Pocket Guide

same things well. They track inventories, expenses, growth, break-even units, margins, employee turnover, compensation plans, return on training, sales, earnings per employee, and a host of other statistics. But to win in business, managers need to do more than track these benchmarks. They need to improve results. *Winning Business* provides the benchmarks business managers should track. It shows managers how to calculate each benchmark, AND presents ways to improve their results. In short, this book provides a company with a blueprint for success. Each benchmark produces a value

Download File PDF Mba Vest Pocket Guide

that managers can track over time to monitor the impact on their operations. To help managers evaluate their performance, it provides industry-wide benchmarks that list the results retailers, manufacturers, and even publishers should target. Winning Business provides benchmarks for: Managerial accounting Sales and marketing Employee benefits Financial performance Market indicators Inventory analysis Many others Included FREE is a full, multimedia version of Winning Business.
