Quality Improvement A Guide for Integration in Nursing, Second Edition is an integral resource for both nursing students and professionals. Quality improvement is a crucial part of healthcare and one that nurses are charged with implementing daily as they care for patients. This text is completely focused on teaching the importance of QI through patient care and error reduction. It also reinforces the concept that nurses in all positions and healthcare settings must understand how QI works as well as how to integrate it into their daily work to create and maintain a culture of safety. Quality Improvement A Guide for Integration in Nursing, Second Edition can be used broadly across nursing degree programs and professional practice. It outlines the foundation for quality improvement and features new advanced practice content applicable for APNs and DNPs by moving beyond the basics throughout each chapter. In addition, the author will release monthly QI-related content via the Navigate Companion Website to keep up with current trends and literature findings. Key Features: New QI responsibilities section in each chapter will show how to apply QI content for three roles: staff nurse, nurse manager, and advanced practice nurse/DNP Apply CQI section at the end of each chapter includes activities, exemplars, and evolving case studies to encourage further critical thinking Monthly content updates covering the latest quality improvement news and literature "Engaging Students in Quality Improvement" faculty teaching/learning strategies Clinical leadership, along with values-based care and compassion, are critical in supporting the development of high quality healthcare service and delivery. Clinical Leadership in Nursing and Healthcare: Values into Action offers a range of tools and topics that support and foster clinically focused nurses and other healthcare professionals to develop their leadership potential. The new edition has been updated in light of recent key changes in health service approaches to care and values. Divided into three parts, it offers information on the attributes of clinical leaders, as well as the tools healthcare students and staff can use to develop their leadership potential. It also outlines a number of principles, frameworks and topics that support nurses and healthcare professionals to develop and deliver effective clinical care as clinical leaders. Covering a wide spectrum of practical topics, Clinical Leadership in Nursing and Healthcare includes information on: Theories of leadership and management Organisational culture Gender Generational issues and leaders Project management Quality initiatives Working in teams Managing change Effective clinical decision making How to network and delegate How to deal with conflict Implementing evidence-based practice Each chapter also has a range of reflective questions and self-assessments to help consolidate learning. It is invaluable reading for all nursing and healthcare professionals, as well as students and those newly qualified.

"101 Global Leadership Lessons for Nurses covers the daily challenges facing health care leaders--communications, negotiations, resource management, and work-life balance, to name a few--with the unique feature of a mentor-mentee team authoring each chapter. These established and emerging mentors and mentees come from every corner of the globe and share their lessons learned, providing a rich legacy for

nurses everywhere. 101 Global Leadership Lessons for Nurses offers: An alphabetical subject order for quick topic access. ; Authors from 32 countries spanning six continents. ; A wealth of resources, with topics ranging from academic-service partnerships to writing for professional journals, and 99 other topics in between. ; Reflective questions at the end of each chapter to help you integrate ideas into your professional life."--Publisher's website.

Core Competencies for Nursing Leadership and Management

Quality Improvement: A Guide for Integration in Nursing

This newly revised edition of Nursing Leadership and Management is a dynamic and insightful presentation of the leadership and management issues most important to today's nursing leaders. Rooted in evidence and research, this work offers solid foundations and real-world perspectives from nurses, managers, and health care personnel. Key topics at the forefront of every successful manager's agenda, such as quality improvement, health care economics, delegation, informatics, politics, and collective bargaining, are covered in-depth.

NURSING LEADERSHIP AND MANAGEMENT, Second Edition provides a dynamic and insightful presentation of the leadership and management issues most important to Canadian nurses, in a manner that makes the topics relevant and accessible to today's nursing students and beginning nurses. It is written by contributors who are nursing teachers as well as clinical specialists from across Canada, providing a complete view of nursing leadership and management in Canada in the 21st century. The Canadian author, Heather Crawford integrates the chapters into a cohesive, accessible and readable framework for students.

This is the first textbook designed to introduce the six areas of nursing competencies, as developed by the Quality and Safety Education for Nurses (QSEN) initiative, which are required content in undergraduate nursing programs.

Ein Leadershipbuch, das alle anderen in den Schatten stellt! Basierend auf umfangreicher Forschung und Interviews mit Führungskräften auf allen Ebenen (öffentlicher und privater Unternehmen weltweit) befasst sich das Buch mit dem anhaltenden Interesse an Leadership als kritischem Aspekt menschlicher Organisationen. Kouzes und Posner, die führenden Leadership-Experten unserer Zeit, zeigen, wie Führungskräfte mit Visionen Außergewöhnliches erreichen. Mit packenden Geschichten und tiefen Einsichten befassen sie sich eingehend mit den fundamentalen Aspekten von Leadership, um dem Leser dabei zu helfen, mit der sich stetig verändernden Welt Schritt zu halten. Die Autoren ergreifen dabei die Gelegenheit zu unterstreichen, dass Leadership nicht nur jeden angeht, sondern, dass es sich dabei um eine Beziehung handelt: eine Beziehung zwischen der eigenen Weiterentwicklung und der Entwicklung derer, die geführt werden. 'Es hat mir nicht nur Spaß gemacht ... ständig ertappte ich mich dabei, zu nicken und zu mir selbst zu sagen:

'Das ist richtig! So wird es gemacht! So fühlt es sich an!' Die Autoren haben es geschafft, die Quintessenz dessen, was ich für das Herzstück von sich verändernder Leadership halte, zu erfassen.' Robert D. Haas, Vorsitzender und CEO, Levi Strauss & Co. 'Leadershipbücher gibt es wie Sand am Meer und die meisten überdauern keine Woche, ganz zu schweigen von Jahren. The Leadership Challenge gibt es immer noch, weil es auf Forschung beruht, es praktisch ist und Herz besitzt. Glauben Sie mir, Jim Kouzes und Barry Posner haben harte Beweise für ein Thema, das wir normalerweise als weich betrachten.' Tom Peters, Management-Guru, Gründer und Vorsitzender, Tom Peters Company '25 Jahr lang habe ich über Leadership geschrieben und darüber gelehrt. The Leadership Challenge ist eines der fünf besten Bücher, die ich jemals gelesen habe. Ich empfehle es fortlaufend anderen Menschen.' John C. Maxwell, Gründer von The INJOY Group, einem Unternehmen zur Beratung und Training von Führungskräften in USA und Kanada 'Jim Kouzes und Barry Posner haben die praktischste, verständlichste und inspirierendste Forschung zum Thema Leadership verfasst, die ich je gelesen habe. Anstelle einer weiteren Version von 'Promi Leadership', hilft The Leadership Challenge dabei, praktische Weisheiten von realen Führungskräften aller Ebenen in unterschiedlichen Arten von Unternehmen zu erfahren. Jede Führungskraft kann sich auf das Wissen in diesem Buch beziehen.' Marschall Goldsmith, Bestseller-Autor und bei Forbes als einer der 5 Top-Trainer für Führungskräfte genannt

Curriculum Development in Nursing Education, Second Edition continues its dedication to the advancement of nursing education, and in particular, to the ongoing development of relevant yet dynamic nursing education curricula. This Second Edition offers current, accessible, and comprehensive tips and tools and incorporates a balance of theoretical perspectives and practical applications. The Second Edition has been completely revised and updated and includes an expanded focus on developing a context-relevant curriculum. A major determinant in any nursing education curriculum is the context in which the curriculum is developed and offered. This context is the professional, societal, health care, and educational situations to which the curriculum must respond, and is what makes each school's curriculum unique. Curriculum Development in Nursing Education helps nurse educators create a program of study that will meet the contextual needs of their individual setting. What's New: Expanded focus on developing a context-relevant curriculum New sections on educational technologies, distributed learning, and curriculum evaluation. New chapters on preparing for external program review, building a curriculum, and evaluation of a curriculum.

The long standing nursing shortage has prompted many institutions to rely on nurses to delegate critical tasks. Delegation of Nursing Care establishes safe delegation as an indispensable skill in delivering quality patient care. The book discusses the demanding roles of a professional nurse and explores the elements of decision making nurses use most. It also highlights the importance of communication, time management, and accountability, and is designed to build the diverse skills needed in the world of nursing.
