The book's 75 lessons and reproducible activities touch on all areas of science and provide the key to a world of science magic and mystery. While kids will have fun doing the activities and learning to love science, they are also being encouraged to develop other skills, including reading, writing, math, and art. The book is designed to help young students catch the "science bug" and find the answers for themselves to these and other questions: Why do cats have whiskers? How does a caterpillar change into a butterfly? Why do elephants have such large ears? How does a grasshopper grow? Why is the skin on my elbows so

Paper flower making is an accessible craft that uses simple tools and humble materials. Professional Laura Reed, experienced in creating amazing display windows featuring paper botanicals, shares the world of flowers that can be created with paper, and offers a straightforward, methodical approach suitable for beginners and more advanced enthusiasts. Starting with basic techniques, enjoy 7 projects that take you through the mindful processes of petal forming through to designing full paper flower projects. The designs are bold and feature modern, graphical blooms. Starting with the basics, you'll gain a solid understanding of the foundations of paper flower design and construction. Step-by-step tutorials help you make a wide range of flowers, and following on from that are 7 guided projects. Readers are encouraged to get creative and apply their own ideas throughout. The book concludes with a photo gallery of projects to inspire. All templates are provided. The eco-friendly side can't be ignored; the flowers last a lifetime, unlike their fresh counterparts. Any waste material is recyclable, and you may also choose to use eco-friendly/recycled papers. By the end of the book, you will not only know how to make a range of flowers, but also understand how to design your own blooms and use them in a wide range of projects. You'll confidently choose suitable materials, tools and techniques to produce successful finished pieces.
