*Over the years Advanced Accountancy has emerged as the definitive and comprehensive textbook on accountancy as it completely meets the requirements of students preparing for BCom, MCom, MBA, BBA and professional examinations conducted by different institutions, such as the Institute of Chartered Accountants of India, the Indian Institute of Bankers, the Institute of Company Secretaries of India, and the Institute of Cost Accountants of India. New in this Edition • Basic features of the 32 Accounting Standards of India issued by the Institute of Chartered Accountants of India and 40 Indian Accounting Standards (Ind AS) notified by the Ministry of Corporate Affairs. • Updation and convergence of Indian*

accounting standards with international financial reporting standards. • Strengthening and updating of the text material in the light of new accounting standards. • Latest questions and problems from examinations conducted by different professional bodies and universities.

This well-known textbook provides students with the knowledge of basic accounting principles and practices in a systematic manner. The unique feature that has made this book popular among students is the simplicity of presentation which enables them to understand the subject and solve practical problems with ease. The main strengths of the book are updated text, plentiful illustrative examples and the end-of-chapter exercises with answers. The wide coverage and user-friendly approach help the book to meet the course content requirements for BCom, BBA, MCom, MCA examinations of different universities and examinations conducted by professional institutions. **KEY FEATURES** □ Updated text in view of new and withdrawn accounting standards and their interpretation. □ Formulation of the roadmap for convergence of Indian Accounting Standards to IFRS. □ Incorporation of the New Schedule VI in place of Old Schedule VI with appropriate notes, wherever necessary. □ Complete overhauling of solutions to all Illustrations and requisite changes in the answers to Practical Problems required due to the substitution of New Schedule VI in place of Old Schedule VI. □ Latest questions and problems from examinations conducted by different professional bodies and universities.

Company Accounting, 11th Edition (Leo et al.) has been updated to reflect the various and ongoing reforms as a result of Australia's adoption of the International Financial Reporting Standards (IFRS). The text provides students with a comprehensive overview of the practice and principles of company accounting and helps them develop the practical grounding to reinforce their understanding. The 11th edition presents essential 'must know' information on accounting for a corporate entity and the requirements for externally disclosing the financial position of the entity.

Efficient, effective review for Accounting Principles Study Guide Volume II to accompany Accounting Principles, 11th Edition provides comprehensive review for students of accounting. Fully aligned with the content in Accounting Principles, 11th Edition, this guide provides learning objectives and lesson-by-lesson review of key points and

*terminology. Extensive self-tests allow you to gauge your level of understanding and pinpoint weak areas in need of review, and provide insight into how fundamental accounting skills are applied in practical scenarios. Designed to help you retain important information, this guide helps you focus your study time and become a more effective learner.*
