This study aims to

Online Library Qts Practice Papers

engage the textual realities of medieval literature by shedding light on the material lives of poems during the Tang, from their initial oral or written instantiation through their often lengthy and twisted paths of circulation. Tang

Online Library Qts Practice Papers

poems exist today in
stable written forms
assumed to reflect
their creators'
original intent. Yet
Tang poetic culture
was based on hand-
copied manuscripts
and oral
performance. We
have almost no
access to this poetry

Online Library Qts Practice Papers

as it was
experienced by
contemporaries. This
is no trivial matter,
the author argues. If
we do not
understand how
Tang people
composed,
experienced, and
transmitted this
poetry, we miss

Online Library Qts Practice Papers

something
fundamental about
the roles of memory
and copying in the
circulation of poetry
as well as readers'
dynamic
participation in the
creation of texts. We
learn something
different about
poems when we

Online Library Qts Practice Papers

examine them, not as literary works transcending any particular physical form, but as objects with distinct physical attributes, visual and sonic. The attitudes of the Tang audience toward the stability of texts matter as well.

Online Library Qts Practice Papers

Understanding Tang
poetry requires
acknowledging that
Tang literary culture
accepted the
conscious revision of
these works by
authors, readers, and
transmitters. 2012
