Focusing on four individuals, Canadian Marxists and the Search for a Third Way describes the lives and ideas of Ernest Winch, Bill Pritchard, Bob Russell, and Arthur Mould and examines their efforts to put their ideas into practice. Campbell begins by looking at their childhoods in Great Britain, particularly their religious upbringing. He considers attitudes toward women and ethnic minorities, what they were reading, and what effect that reading had on their theory and practice. He describes their lives as labor leaders and advocates of socialism, revealing how tenaciously, in an increasingly hierarchical, bureaucratized, and state-driven capitalist society, they held to the idea that socialism was the only way to a better working class itself. This is a unique look at four Canadian Marxists and their struggle to create an educated, disciplined, democratic, mass-based movement for revolutionary change.

The Parliamentary Debates

Index

After the death of Joanie Holzer Schirm's parents in 2000, she found hundreds of letters, held together by rusted paperclips and stamped with censor marks, sent from Czechoslovakia, Great Britain, China, and South and North America, along with journals, vintage film, taped interviews, and photographs. In working through these various materials documenting the life of her father, Oswald "Valdik" Holzer, she learned of her family history through his remarkable experiences of exile and loss, resilience and hope. In this posthumous memoir, Schirm elegantly re-creates her father's youthful voice as he comes of age as a Jew in interwar Prague, escapes from a Nazi-held army unit, practices medicine in China's war-ravaged interior, and settles in the United States to start a family. Introducing us to a diverse cast of characters ranging from the humorous to the menacing, Holzer's life story is an inspirational account of survival during wartime, a cinematic epic spanning multiple continents, and ultimately a tale with a twist--a book that will move readers for generations to come.
