bypassing IT altogether and buying it on their own. From laptops and smartphones to iPads and virtually unlimited software apps, end-users have tasted their freedom and love it. IT will simply never be the same. Bring Your Own Devices (BYOD)

## Download File PDF Sharepoint 2013 Evaluation Guide

Survival Guide explains the psycho-techno phenomenon also known as bring your own technology (BYOT). Providing the guidance necessary for living in this new world, it describes the new end-users (Millennials) and their demands, as well as the strategic

exercises to get users started in no time! It has no fluff, just practical exercises that will provide users the knowledge and know-how to implement SharePoint solutions easily and professionally. SharePoint has a steep learning curve. Without a book

## Download File PDF Sharepoint 2013 Evaluation Guide

like this, it will probably take users months to learn SharePoint. This book will save users great deal of time because it contains ready-to-use solutions and expert advice from someone who is a subject matter expert. This book has everything that
