We are said to face a crisis of over-criminalization: our criminal law has become chaotic, unprincipled, and over-expansive. This book proposes a normative theory of criminal law, and of criminalization, that shows how

# Read Free Smith And Hogan Criminal Law Cases And Materials 10th Edition

criminal law could be ordered, principled, and restrained. The theory is based on an account of criminal law as a distinctive legal practice that functions to declare and define a set of public wrongs, and to call to formal public account those who commit such wrongs; an account of the role that

## Read Free Smith And Hogan Criminal Law Cases And Materials, 10th Edition

such practice can play in a democratic republic of free and equal citizens; and an account of the central features of such a political community, and of the way in which it constitutes its public realm-its civil order. Criminal law plays an important, but limited, role in such a political community in protecting, but

## Read Free Smith And Hogan Criminal Law Cases And Materials 10th Edition

also partly constituting, its civil order. On the basis of this account, we can see how such a political community will decide what kinds of conduct should be criminalized - not by applying one or more of the substantive master principles that theorists have offered, but by

## Read Free Smith And Hogan Criminal Law Cases And Materials 10th Edition

considering which kinds of conduct fall within its public realm (as distinct from the private realms that are not the polity's business), and which kinds of wrong within that realm require this distinctive kind of response (rather than one of the other kinds of available response). The outcome of such a

## Read Free Smith And Hogan Criminal Law Cases And Materials 10th Edition

deliberative process will probably be a more limited, and a more rational and principled, criminal law.
