

Spotlight On The Minor Prophets 12 Book Bundle Bible Study Guide Bible Commentary A Summary Of The Minor Prophets Volume 3

After their mother's death, two siblings must navigate the strange world of the occult in this thrilling YA mystery Lee has always seen visions: cats that his mother promises aren't really there, a homeless man who he's convinced is out to get him, and three men who give him ominous warnings in the woods. His mother and his sister Murphy try to keep him grounded in the real world. But when his mother dies in a car accident and her horrible husband tries to adopt them, Lee and Murphy flee to their grandmother's ranch, which they've only heard about in stories. But is there a reason why their mother never brought them there? And what horrid truths lurk behind Lee's haunting visions? Thrilling, twisty, and poignant, *Minor Prophets* will keep readers guessing until the final page.

Combining three volumes in one, this affordable edition brings noted evangelical scholars together to offer an authoritative, evangelical treatment of the minor prophets.

Not limited to Zech 9-14 and the Passion Narratives, *The Zechariah Tradition and the Gospel of Matthew* is a comprehensive treatment of Zechariah traditions and texts in Matthew's Gospel. The study follows the canonical order of Matthew, which enables readers to follow the Matthean storyline as Zechariah traditions inform each stage of the story. Attention is also given to relevant parallels in the Synoptic Gospels. Two appendices, one arranged according to Zechariah and the other to Matthew, list references to Zechariah in Matthew. This monograph will be useful for the study of Matthew and the Synoptic Gospels alike and for investigating the use of Old Testament texts and traditions in the New Testament.

In God's Custody

All Scripture is God-breathed, but not every portion of it is embraced by Christians with equal vigor. Tribal lists, specific sacrificial obligations, seemingly endless genealogical records, and apparently gratuitous acts of warfare are readily scanned over. But could the minor prophets be added to that list? Should they be? They certainly seem more difficult to locate for many of us than, say, the books of Moses or the Psalms. The writer is clear in his assessment from the start, positing that our relative ignorance of these twelve books, tucked away at the end of the Old Testament, impinges negatively on the Christian believer's walk. Covering a period of around four hundred years, each book is revealed through two contextual settings: the historical and that which was personal

Online Library Spotlight On The Minor Prophets 12 Book Bundle Bible Study Guide Bible Commentary A Summary Of The Minor Prophets Volume 3

to the individual pensmith, before a brief overview reveals the main points of that author's writing. The bulk of each chapter is concerned with the "Major Key" of the title. Taking a verse or two from each of the minor prophets, Chris Woodall develops a theme to bring practical application with a potentially positive impact to life as a Christian in the twenty-first century from lessons over two-and-a-half thousand years old.

This is the full 12 Bible Study guide books in the 'Spotlight On The Minor Prophets' series; Jonah, Obadiah, Joel, Micah, Amos, Hosea, Nahum, Zephaniah, Habakkuk, Haggai, Zechariah and Malachi. Taken from a Christian standpoint, this is an introduction to the Old Testament Prophets, known commonly as the 'Minor Prophets'. This title in no way implies that they are inferior in any way to the giants amongst the prophets such as Isaiah or Ezekiel; but rather the word 'minor' merely applies to the brevity of the writings of these Old Testament prophets. Bible Study Guide for Group or Individual use These are not intended to be in-depth bible studies as such; but instead an introduction or summary of the Prophets, their times and influences both then and today. This short bible series on the Old Testament Prophets looked at from a New Testament Christian point of view, is intended for individual or group use, and I have found them useful for encouraging debate and conversation, on all the topics that affected the peoples at that time; and now affect ourselves in today's world. Studying the minor prophets reveals pearls of wisdom! Job states that "As sure as sparks fly upwards, Man is born to trouble." The social and economic troubles that the ancients faced are the same ones as we face now. It has been said that "if we do not learn from our mistakes, then we are doomed to repeat them." Perhaps it's time to listen to their problems and see what The Lord had to say through his spokesmen - whom we know as the 'Minor Prophets'. I for one fully believe that the guidance offered to these Old Testament characters, can for the most part be profitably applied by the New Testament Christian when looked upon in the light of the New Covenant that Christianity has to offer.

These accessible commentaries are for anyone who wants to enter a serious study of God's Word. Each volume guides the reader through the literacy and theological issues in the

The most authoritative, consistently evangelical treatment on the prophetic message, this is one of the first commentaries to use the NRSV. Includes expository thoughts on the prophets' teachings and applications of the message. Bibliography. First in a three-volume set.

Frederik A.V. Harms untersucht Calvins Ekklesiologie ausgehend von dessen Kommentar zu den Kleinen Propheten von 1557–1559. Harms stellt Calvins Sicht auf die Kirche aus historisch-systematischer Sicht dar. Seine Studie über die Ekklesiologie des großen Reformers wird begleitet von zwei historischen Teilen. Zum einen bietet Harms Calvins historischen Kontext aus den Jahren 1558 bis 1559, als dieser Vorlesungen zu den Kleinen Propheten hielt. Andererseits bietet Harms einen Überblick über die Auslegungsgeschichte der Kleinen Propheten von der Zeit der Frühen Kirche bis zur ersten Generation reformierter Orthodoxie. This book is an omnibus edition containing three previously published books. - A Legacy of Kings: Israel's Chequered History Apart from the most famous kings, such as David and Solomon, many of the rest of the kings of the Old Testament have faded into obscurity - the life-lessons that can be applied to the lives of Christians are often over-looked as a result. This book rectifies this by bringing twelve of these kings back into the spotlight. You'll encounter good kings, bad kings, good kings that went bad and bad kings that came good! All of them, though, have something important to teach and challenge us as we look to serve the great and faultless King Himself - Jesus Christ. If Jotham, Rehoboam, Hezekiah, Manasseh and the rest have become strangers to you - why not get reacquainted? - Tribes & Tribulations Naphtali, Manasseh, Gad, Asher... Of course, these are four of the tribes of Israel - you probably recognize their names but little more than that. Is there anything else to know about them? This book answers that question with a resounding "yes"! Brian points out that each of the original brothers had their own distinct characteristics and that, as prophesied, these traits would be replicated in their descendants. He also pinpoints a challenge for the reader from each tribe regarding their own character and relationship with God. - Minor Prophets: Major Issues The so-called "Minor Prophets" of the Old Testament, such as Nahum, Micah and Malachi, are often overlooked because of their brevity and also because they might seem irrelevant to Christians of today. Brian shows how inaccurate this perception is by pointing out that each prophet not only had vital things to say to the peoples of that era, but they also raise very major issues that are absolutely relevant to believers today. Such issues include: injustice, suffering, unfaithfulness, abandonment, corruption, compassion,

arrogance and wrong priorities. This book is designed to unlock this important part of the Bible and challenge your own experience as a disciple of Jesus Christ.

Minor Prophets, Volume I

An Exegetical and Expository Commentary

The Publishers Weekly

*Most Christians don't quite know what to do with the first half of the Bible. Some are fascinated by the historical sweep of the Old Testament. Others are blessed by its poetry. Still others focus on its prophecies. But what are the heart and soul of the Old Testament? In *From Creation to the Cross*, Al Baylis is a guide who shares with us his love for, and profound understanding of, the Old Testament. He walks us through the Old Testament, pointing out along the way perspectives and insights that leave us with a new, personal understanding of these thirty-nine books -- and more importantly, of the God of the Old Testament, who lovingly prepared the way before sending his Son. As Bruce Wilkinson puts it in the Foreword, "I could almost picture (Baylis) as a seasoned rabbi surrounded by a huddle of eager listeners. He doesn't simply teach the Old Testament; it's as if he personally reminisces through it." *From Creation to the Cross* is one of those rare books that speaks to a wide range of readers, from high school students to homemakers to college professors. This revised and expanded edition of *On the Way to Jesus* makes this unique and highly readable approach to the first half of the Bible available once again. It is ideally suited for use in Bible study groups. Anything written today concerning the Jewish nation is significant. But when a book appears from the pen of a scholar such as Dr. Charles L. Feinberg, it becomes significant indeed. This book will stir much thought on the part of readers. It will send students of the Word back to their Bibles to review portions of the Old Testament. It will explain hitherto obscure passages and will open to the mind of the careful reader many new avenues of study in God's holy Word. As Dean and Professor of Semitics and Old Testament at Talbot Theological Seminary, Dr. Feinberg has presented portions of the contents of this book to the students in various courses which he teaches. They have also been a part of popular lectures which he has delivered throughout the country. - Louis T. Talbot (on jacket flap).*

Accessible, engaging, and authoritative, this handsome hardback is full of color illustrations, maps, and helpful charts, bringing the story of God's dealings with his people vividly to life. After a helpful introductory section on the nature and composition of the Bible and how to read it, this handsome hardback takes the reader on an in-depth and illuminating tour through all 66 books, sketching the principal themes, detailing the main characters, and highlighting memorable passages or verses. Also including a quick and handy fact-finder, issues requiring more detailed attention are highlighted in boxes grouped together towards the back in

The distinctiveness of this commentary lies in its consistent rotation between synchronic and diachronic views. This double perspective is directed toward the three prophetic books as a single entity, toward each individual book, and toward the interpretation of each pericope. The result is a sophisticated picture, on the one hand of the structure and intention of the texts in their final form, and on the other hand of their compositional history - from the second half of the 7th century to the late Old Testament period. Each exegetical section opens with a precise, text-critically supported translation and finishes with a synthesis that attempts to make note of the lasting insights from each text and the most important results of the analysis. Protestant reformers found the prophet and biblical prophecy to be exceptionally effective for framing their reforming work under the authority of Scripture-for the true prophet speaks the Word of God alone and calls the people, their worship, and their beliefs and practices back to the Word of God. uses the prophet and biblical prophecy as a powerful lens through which to view many aspects of the reformers in the sixteenth and seventeenth centuries. G. Sujin Pak argues that these prophetic concepts served the substantial purposes of articulating a theology of the priesthood of all believers, a biblical model of the pastoral office, a biblical vision of the reform of worship, and biblical processes for discerning right interpretation of Scripture. Pak demonstrates the ways in which understandings of the prophet and biblical prophecy contributed to the formation of distinct confessional identities. She goes on to demonstrate the waning of explicit prophetic terminology, particularly among the next generation of Protestant leadership. Eventually, she shows, the Protestant reformers concluded that the figure of the prophet carried with it as many problems as it did benefits, though they continued to give much time and

Minor Prophets: Hosea through Malachi

Unitas

To a casual visitor, the island of Heavenly Daze is just like a dozen others off the coast of Maine. It is decorated with graceful Victorian mansions, carpeted with gray cobblestones and bright wild flowers, and populated by sturdy, hard-working folks-most of whom are unaware that the island of Heavenly Daze is not just like the other islands of coastal Maine. The small town that crowns its peak consists of seven buildings, each inhabited, according to divine decree, by an angel who has been commanded to guard and help anyone who crosses the threshold. Unexpected hijinks and heart-warming results occur when mortals and immortals cross paths-and unaware visitors to the picturesque establishments of Heavenly Daze discover that they have been entertained by angels.

In this enlightening and entertaining work, Charles Panati explores the origins of hundreds of religious rituals, customs, and practices in many faiths, the reasons for religious holidays and sacred symbols, and the meanings of vestments, sacraments, devotions, and prayers. Its many revelations include: * Why the Star of David became the Jewish counterpart of the Christian cross * What mortal remains of the Buddha are venerated today * How the diamond engagement ring became a standard * That the first pope was a happily married man * How Hindu thinkers arrived at their concept of reincarnation * Why Jews don't eat pork, why some Muslims don't eat certain vegetables, and how some Christians came to observe meatless Fridays Sacred Origins of Profound Things is an indispensable resource for all those interested in the history of religion and the history of ideas--and an inspiring guide to those seeking to understand their faith.

This compilation contains all twelve books of the minor prophets of the Holy Bible in the Geneva translation. Hosea, Joel, Amos, Obadiah, Jonah, Micah, Nahum, Habakkuk, Zephaniah, Haggai, Zechariah, and Malachi are all included.

The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world, each passage is treated in three sections: Original Meaning. Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context. Bridging Contexts. A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible. Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique, award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.

Scholars have long noted the consistent canonical ordering of the minor prophets, yet have not located their unity. In this instructive book Paul House presents a close reading that demonstrates the Twelve's cohering principles. Both literary criticism and the minor prophets are succinctly introduced here. Biblical theology is also furthered through the study's focus on unity.

Dear reader "This book is very concise, and has the answers to many questions which you may have about The Triune God. "It gives you Step by Step teaching about who God is in the Old Testament, as well as in the New Testament. "It gives you answers to such questions as: "What Is The Soul Of Man? "What Is The Spirit Of Man? "What Is The Body Of Man? "It also helps you to know and understand more about yourself, and your relationship to God: It speaks to many experiences we as human beings have, and are faced with daily! "Concerning life in the hereafter: "If you have questions about your existence? This book is what you need. "Everyone should have this book in their home; Regardless of Religion or Race. "It speaks a language plain and simple to understand; There are no complicated words; all is explained so even a Child may understand. "You may choose to read the whole book through; Or just pick a topic you wish to review; "But my wish is that you would read the whole book through at least once or more times to start with. "My thanks to God my heavenly Father, for revealing such truth to me; and to God be all the Glory. And thanks to all who has purchase this book, or will in the future: May you be enriched, edified, and bless. As always, my sincere gratitude to everyone! Clinton H. Commentary on the Minor Prophets

The Cast of the Old Testament

First published in 1978, this book offers a comprehensive study of the illuminations of the Stavelot Bible. The illuminations themselves have been recognized as occupying an important place in the incipient stage of the Romanesque style in the Meuse valley. The two volumes of the Bible contain no less than ninety-seven illuminated initials, almost half of them containing figures. Wayne Dynes's study brings this into context by giving the historical background of the abbey of Stavelot and the manuscript itself, and then the exegetical and illustrative tradition shaping earlier illuminated Bibles. A third chapter examines the question of the assignment of the hands, providing at the same time a survey of the contents. This clears the way for discussions of areas of importance including the famous full-page composition of Christ in Majesty, and analyses key miniatures and groups of miniatures. This procedure serves to clarify the overall scheme of illumination and permit a comparison with earlier achievements in the history of Bible illumination.

Meditations on the Minor Prophets is a compendium of short devotionals taken from selected verses from each chapter. Pointed and direct, each will take the reader into a biblical perspective of various attitudes that will help lead each one on toward a better understanding of Christ.

The papers presented in this volume were originally presented at a conference entitled "Religion and Law: Middle Eastern Influences on the West," sponsored by the Middle East Center of the University of Utah and the J. Reuben Clark Law School at Brigham Young University. The conference's aim was to explore the connection between religion, especially biblical religion, and law in the Ancient Middle East and to trace its development into the present. The special status of Islamic law is treated in several articles.

An American Missionary Comes of Age in Revolutionary Ethiopia

Messages for Yesterday and Today

When we encounter a text, whether ancient or modern, we typically start at the beginning and work our way toward the end. In *Tracking the Master Scribe*, Sara J. Milstein demonstrates that for biblical and Mesopotamian literature, this habit can yield misleading results. In the ancient Near East, "master scribes" - those who had the authority to produce and revise literature - regularly modified their texts in the course of transmission. One of the most effective techniques for change was to add something to the front - what Milstein calls "revision through introduction." This method allowed scribes to preserve their received material while simultaneously recasting it. As a result, numerous biblical and Mesopotamian texts manifest multiple and even competing viewpoints. Due to the primary position of these additions, such reworked texts are often read solely through the lens of their final contributions. This is true not only for biblical and cuneiform texts in their final forms, but also for Mesopotamian texts that are known from multiple versions: first impressions carry weight. Rather than "nail down every piece of the puzzle," *Tracking the Master Scribe* demonstrates what is to be gained when engaging questions of textual transmission with attention to how scribes actually worked. Working from the two earliest corpora that allow us to track large-scale change, the book provides broad overviews of evidence available for revision through introduction, as well as a set of detailed case studies that offer fresh insight into well-known biblical and Mesopotamian literary texts. The result is the first comprehensive and comparative profile of this key scribal method: one that was not only ubiquitous in the ancient Near East but also epitomizes the attitudes of the master scribes toward the literature that they produced.

In the streets of Addis Ababa in 1977, shop-front posters illustrate Uncle Sam being strangled by an Ethiopian revolutionary, parliamentary leaders are executed, student protesters are gunned down, and Christian mission converts are targeted as imperialistic sympathizers. Into this world arrives sixteen-year-old Tim Bascom, whose missionary parents have brought their family from a small town in Kansas straight into Colonel Mengistu's Marxist "Red Terror." *Running to the Fire* focuses on the turbulent year the Bascom family experienced upon traveling into revolutionary Ethiopia. The teenage Bascom finds a paradoxical exhilaration in living so close to constant danger. At boarding school in Addis Ababa, where dorm parents demand morning devotions and forbid dancing, Bascom bonds with other youth due to a shared sense of threat. He falls in love for the first time, but the young couple is soon separated by the politics that affect all their lives. Across the country, missionaries are being held under house arrest while communist cadres seize their hospitals and schools. A friend's father is imprisoned as a suspected CIA agent;

another is killed by raiding Somalis.

SELFISHNESS: A WHALE OF A STORY (A Demonstration of God's Grace and Mercy) Selfishness, wrecks countries, organizations, churches, families and individual lives. It leaves a path of destruction often without our notice. Today is the time to stop its destructive power in your life and the lives of others. **Selfishness: A Whale of a Story** reveals the true nature and progressive patterns of a selfish person. It unlocks the lost message of the story of Jonah, a prophet of God driven primarily by selfishness - not only rebellion - to defy God's will. He stubbornly wished to die instead of leading a sinful people to repent and discover God's blessings. With real-life anecdotes and insightful biblical and academic research, this easy-to-read book walks us through the lives of victims and perpetrators of selfishness sharing... How to respond to the commands of God. How to identify acts of selfishness in our own lives. How to recognize selfishness before it becomes narcissism. How to incorporate positive acts of selflessness in our lives. **EXTRA EMPHASIS FOCUSED ON THE FAMILY!** You will gain insight into the impact of unchecked selfishness by children and adults. Complete a checklist to help you identify these behavior patterns and proper corrective steps to take. Dr. Phillip D. Williams is a pastor, church and family counselor, CEO/Founder Williams Church Consulting Group, a seasoned church planter and a former criminal investigator, experienced in spiritual gifts and personality profiling. The Unity of the Twelve

Ideal for lay Bible teachers, small group leaders, or any student of the Bible, this reference library provides a thorough look at Bible passages and events while applying a practical message for today's believers.

This is the third title in a major series of text books for students. Subjects covered include, for every prophet, a discussion of the date, who the prophet spoke to, how the critics have interpreted it, how it relates to history and to other prophets, its structure and outline. Each chapter includes exercises and essay topics at levels 1 and 2 to fully involve the students.
