Her service to mankind is immense: she had established homes, shelters, hospitals and treatment centres for the dying, abandoned and sick. This much honoured personality left a legacy of unshakable faith, invincible hope and extraordinary charity. Her grit and determination in helping the helpless still inspires millions of people from around the world.

Do you feel as if you are running on empty? Have you fallen asleep to the glory of God and his love being revealed to you each day? Bestselling and award-winning author and popular YouTuber Emily Wilson Hussem has been there too. She invites you on a year-long transformational journey of practicing gratitude, becoming more closely aware of God’s presence in your every day and serving others in his name. These fifty-two reflections will help you cultivate a deeper prayer life, find freedom from the frenzy of tasks and the noise of the culture, and discover the lasting joy that can only blossom in a heart awakened to the beauty of God’s quiet, loving presence. Awaken My Heart is an invitation to become aware of the presence of God in your life. Emily Wilson Hussem provides a roadmap for replacing busyness and distraction with intentional moments of noticing God’s abiding love and practicing gratitude for his many gifts—big and little blessings such as a visit from a friend, a call from your sister, the laughter of your children, a setting sun, or crumbs on the floor. These fleeting moments and everyday happenings can seem insignificant, but when you behold them with intention and thank God for making them possible, you’ll find yourself in regular conversation with Jesus, the lifeblood of your deep connection with God. This fifty-two-week devotional blends spiritual insights, authentic vulnerability, and wise guidance for women of every age who want to have a heart fully awakened to God’s presence and the beautiful bouquet of blessings he’s put in your life. The reflection for each week includes a specific focus for the upcoming seven days. With stories, challenges, and insights into scripture, each reflection is designed to draw you deeper into awareness of Christ’s love and the love he is calling you to share with the world. Wilson Hussem also offers practical ways to choose to love—visiting the elderly, calling your mom, or pausing to pray for a special intention—that are simple enough for even the busiest lifestyle. How and when you use the devotional is completely flexible: You can start on any day of the week and return to it as often as you need to. Each week’s focus is designed to draw you deeper into the heart of God by learning to love Jesus, others, and yourself more fully.

In matters of mission history, most major works that treat the full sweep of the church’s missional self-understanding are less than helpful in understanding women’s part of that narrative. Smith tries to redress the balance with a comprehensive history of mission that highlights the critical contributions of women, as well as the theological developments that influenced their role. --From publisher’s description.

"I feel silly trying to make up prayers myself." "My mind starts to wander as I am speaking to God." "I just don't have time to pray." Do you recognize yourself in any of these statements? Then Pray Fully is for you. Michele Faehhle and Emily Jaminet—bestselling authors of Divine Mercy for Moms and The Friendship Project—share the rewards and frustrations of their own prayer journeys to create a practical guide that combines testimonies, tips, and journaling space to help you spend quality time with God. Whether you want to learn how to pray aloud in a group or to stop your mind from wandering during prayer, Faehhle and Jaminet have practical advice and the real-life experience to help you overcome obstacles to everyday prayer. Both raised in Catholic families who spent time in prayer, Faehhle and Jaminet wanted to experience a relationship with God that consisted of more than Sunday Mass and an occasional panicked Rosary or a rushed cry for help. They each found that the noisy, self-centered monologue of their youth grew into a fuller, more mature dialogue of love when they gave time to God and began to truly listen to him. In Pray Fully, Faehhle and Jaminet share basic prayer principles that have helped them to become women of prayer: make time for personal, daily communication with Jesus spend time meditating and engaging in other spiritual practices such as adoration or the Examen recognize the critical times of each day when you need a "prayer boost" live deeply in the sacraments and enrich your life with sacramentals record your intentions and thank God for answered prayer Encouraging stories and practical advice—including tips from the lives and writings of the saints—questions for personal reflection and private meditation, and journaling space will help you develop a lifelong dialogue with God. Written mostly in prose, "Uncovering and Discovering the KEY to Spiritual Growth" is sprinkled with some beautiful and transforming original poetry. It is a fascinating story of one man's attempt to make sense out of a world turned upside down. In the midst of personal disaster, Rich Kae asked, "How do you find meaning in a world where all the givens are gone?" He started looking for the key or answer to this question by addressing the only thing he knew for certain -HIS PAIN! One chapter in the book entitled, "Pain is your Friend" reveals how being honest with and accepting his pain helped him to discover a new foundation upon which he could start to rebuild his life "one day at a time." The Book reflects the Author's broad experience and education in the fields of psychology, religion, philosophy and the sciences. Many readers responded positively after having read the pre-publication manuscript. One such response by Rev. Donald Tastad reads, "One cannot read it without asking the most basic and important questions in life. One finds ample answers to those questions and of more importance, a way of life that leads to fulfillment and meaning." "Containing the public messages, speeches, and statements of the President", 1956-1992.

Globally, women are facing social, economic, and cultural barriers impeding their autonomy and agency. Accelerated women empowerment programs often fail to attain their targets as envisaged by the policymakers due to a variety of reasons, with the most prominent being the deep-rooted cultural norms ingrained within society. In the era of globalization, empowerment of women demands new approaches and strategies that encourage the mainstreaming of gender equality as a societal norm. The Handbook of Research on New Dimensions of Gender Mainstreaming and Women Empowerment is a critical scholarly publication that examines global gender issues and new strategies for the promotion of women empowerment and gender mainstreaming in various spheres of women's lives, including education and ICT, economic participation, health and sexuality, mental health, aging, law and judiciary, leadership, and decision making. It provides a comprehensive coverage of all major gender issues with novel ideas on gender mainstreaming being contributed by men and women authors from multidisciplinary backgrounds. Gender perspective and intersectional approach in the discourses make this handbook a unique contribution to the scholarship of social sciences and humanities. The book provides new theoretical inputs and practical directions to academicians, sociologists, social workers, psychologists, managers, lawyers, policy makers, and government officials in their efforts at gender mainstreaming. With a wide range of conceptual richness, this handbook is an excellent reference guide to students and researchers in programs pertaining to gender/women's studies, cultural studies, economics, sociology, social work, medicine, law, and management.

The SAGE Encyclopedia of World Poverty, Second Edition addresses the persistence of poverty across the globe while updating and expanding the landmark work, Encyclopedia of World Poverty, originally published in 2006 prior to the economic calamities of 2008. For instance, while continued high rates of income inequality might be unsurprising in developing countries such as Mexico, the Organization of Economic Co-operation and Development (OECD) reported in May 2013 even countries with historically low levels of income inequality have experienced significant increases over the past decade, including Denmark, Sweden, and Germany. The U.N. and the World Bank also emphasize the persistent nature of the problem. It is not all bad news. In March 2013, the Guardian newspaper reported, "Some of the poorest people in the world are becoming significantly less poor, according to a groundbreaking academic study which has taken a new approach to measuring deprivation. The report, by Oxford University's poverty and human development initiative, predicts that countries among the most impoverished in the world could see acute poverty eradicated within 20 years if they continue at present rates." On the other hand, the U.N. says environmental threats from climate change could push billions more into extreme poverty in coming decades. All of these points lead to the need for a revised, updated, and expanded edition of the Encyclopedia of World Poverty. Key Features: 775 evaluated and updated and 175 entirely new entries New Reader's Guide categories Signed articles, with cross-references Further Readings will be accompanied by pedagogical elements Updated Chronology, Resource Guide, Glossary, and thorough new Index The SAGE Encyclopedia of World Poverty, Second Edition is a dependable source for students and researchers who are researching world poverty, making it a must-have reference for all academic libraries.

Jesus told us to be perfect, and the Second Vatican Council highlighted this command by speaking of the universal call to holiness for all Christians. How do we answer this call? One great way is to learn from and pray with the saints, the ordinary men and women who fought the good fight to be holy until the end of their lives – and won. The saints have inspired Christians for more than two thousand years because they show us what it looks like to follow Jesus Christ despite countless challenges and obstacles. This unique book contains short biographies of several saints, along with prayers to each one, for every day of the year. It also provides definitions of Church terms and other helpful back - ground information. The saints in this collection come from every period of Church history and all walks of life. They represent numerous countries, cultures, age groups, and vocations. They show us that holiness truly is a path open to anyone, and by their example and prayers they help us to follow it.

Transforming Your Occupation into Your Vocation

Mother Teresa was one of the most written about and publicised women in modern times. Apart from Pope John Paul II, she was arguably the most advertised religious celebrity in the last quarter of the twentieth century. During her lifetime as well as posthumously, Mother Teresa continues to generate a huge level of interest and heated debate. G è zim Alporn explores the significance of Mother Teresa to the mass media, to celebrity culture, to the Church and to various political groups. A section explores the ways different vested interests have sought to appropriate her after her death, and also examines Mother Teresa's own attitude to her childhood and to the Balkan conflicts in the 1980s and 1990s. This book sheds a new and fascinating light upon this remarkable and influential woman, which will intrigue followers of Mother Teresa and those who study the vagaries of stardom and celebrity culture.

Born a humble girl in what is now Albania, Agnes Bojaxhiu lived a charitable life. She pledged herself to a religious order at the age of 18 and chose the name Sister Teresa, after the patron saint of missionaries. While teaching in India, where famine and violence had devastated the poor, Teresa shed her habit and walked the streets of Calcutta tending to the needs of the destitute. Her charity work soon expanded internationally, and her name remains synonymous with compassion and devotion to the poor.

Simple Steps for Becoming a Woman of Prayer

The role of women in the workplace has rapidly advanced and changed within the previous decade, leading to a current position in which women are taking over leadership roles and being offered these positions more than ever before. However, a gap still exists with the representation of women in the workforce especially in power positions and roles of authority in organizations. While the representation of women in leadership roles is impressive and exciting for the future, women still face many challenges when taking over these positions of power and face many issues related to gender inclusivity. There is also still gender bias and discrimination against women who have been given the opportunity to become authority figures. It is essential to acknowledge and discuss these critical issues and challenges that women in leadership roles must handle to better understand the current climate of gender roles across various industries and types of leadership. The Research Anthology on Challenges for Women in Leadership Roles discusses the role of women in positions of authority across diverse industries and businesses. By reviewing the biases, struggles, discrimination, and overall challenges of being a woman in a powerful role, women leaders can be better understood for their role in a male-dominated world. This includes topics of concern such as equal treatment, proper implementation of women’s policies, social justice activism, discrimination, and sexual harassment in the workplace, and the importance of diversity and empowerment of women in leadership positions with chapters pertaining specifically to African-American, Hispanic, Asian, and Middle Eastern women. This book is ideal for professionals, researchers, managers, executives, leaders, academicians, sociologists, policymakers, and students in fields that include humanities, social sciences, women’s studies, gender studies, business management, management science, health sciences, educational studies, and political sciences.

Is it possible for us to truly flourish in our work? Business executive Shundrawn Thomas reveals how work is intended to produce lasting value and should be meaningful and productive. A biography of the founder of the Missionary Sisters and Brothers of Charity, known for her work with the destitute and dying in the streets and slums of Calcutta and other cities.

Written for children five to eight years old — but a delight for all readers — A Storybook of Saints relates inspiring stories about the world’s greatest heroes: the saints. Focusing less on historical details and more on memorable events in the lives of each, this indispensable book is not so much a collection of biographies as a delightful storybook. As such, the dozens of compact tales it comprises are not written primarily to catechize children or to instruct them on myriad facts about these saints. Rather, they are intended to awaken in children a deep love for these good souls — the kind of love children have for Frodo Baggins, King Peter of Narnia, and Robin of Loxley. The kind of love that sends young children off in a flurry to find a costume; that begins a relationship today that extends into tomorrow, the next day, the day after that, and ever onward into Heaven. In a word, this collection of delightful stories will spark the imagination of children, move their hearts, and inspire their souls, leading each of them, finally, to fall in love with the best kind of heroes — the saints.

UNCOVERING and DISCOVERING THE KEY TO SPIRITUAL GROWTH

Known throughout her life as Mother Teresa, Saint Teresa of Calcutta spent her whole life working for the poor and the underprivileged. Born in 1910, Saint Teresa was a Roman Catholic nun and missionary who moved to India and founded the Missionaries of Charity. Even after her death in 1997, the Missionaries of Charity is working for people dying with HIV/AIDS, tuberculosis, and leprosy, running orphanages, schools and soup kitchens, operating dispensaries and mobile clinics, and providing counseling to children and their families. There are more than 5,000 sisters associated with this Roman Catholic organization and it is active in 133 countries around the world, all thanks to their founder, Mother Teresa. After her death, the process of canonization began with beatification, which proved that she had done miracles. Thus, in 2016 Mother Teresa became Saint Teresa of Calcutta. So, who was Mother Teresa? Where was she born and what prompted her to commit to a life dedicated to the service of others? How has she served humankind and how was she honored for her service? Let's find out in this e-book dedicated to the life of Saint Teresa of Calcutta.

How have Christians over the centuries demonstrated faith, worked through doubt, acted with courage? How can great people of faith inspire our Christian journey? Can we really be like they were? Dr. Tyson believes we can, and he offers fifteen short biographies of significant Christians from various periods of history to prove it. We see in their lives specific examples of faithful responses to God and how their examples of faith can be put into practice in concrete, real-life situations. Dr. Tyson looks at the faith of the following great people of Christian faith: Vibia Perpetua (ca. 181-203), Athanasius of Alexandria (ca. 296-373), Augustine of Hippo (ca. 354-430), Anselm of Canterbury (1033-1109), Francis (ca. 1181-1226) and Clare (ca. 1193-1254) of Assisi, Thomas Aquinas (1225-1274), Catherine of Siena (1347-1380), Julian of Norwich (ca. 1342-1423), Martin Luther (1483-1546), John Calvin (1509-1564), John (1703-1791) and Charles (1703-1791) Wesley, Karl Barth (1886-1968), Dietrich Bonhoeffer (1906-1945), Martin Luther King, Jr. (1929-1968), and Mother Teresa of Calcutta (1910-1997).

Are you interested in connecting with other women who share your faith, interests, and everyday concerns? A vibrant, self-sustaining women's ministry will help you achieve this goal, can take many forms, and is a key component of any vital parish, says Elizabeth Tomlin, who for nearly a decade has launched and grown Catholic women's ministries in the United States and abroad. In Joyful Momentum, Tomlin shows you how you also can start, expand, strengthen, or retool an existing women's group or ministry in your own Catholic parish. God can use even the most unlikely people to build up a successful women's ministry, Elizabeth Tomlin says. "If someone had told college-aged me that I would someday lead a global women's ministry, I would have said, 'No way. I'm not smart enough. I don't know enough. I'm too sinful. I'm not good enough.'" And yet, that is exactly what happened. Tomlin is a founding member of the Military Council of Catholic Women Worldwide, the women's ministry organization of the Archdiocese for the Military Services USA. Whether you are interested in starting a spiritual book club or a group for moms with young children, retooling an existing ministry for moms who work outside their homes, or revitalizing a languishing prayer group or committee, you may feel underqualified and overwhelmed when first facing the challenges. Joyful Momentum provides the tools you need to get started, including "Momentum Builders" that will give you the confidence to do what needs to be done. Tomlin shares her personal stories, spiritual insights, and practical tips to show how almost any group can create a spirited, sustainable outreach. With natural warmth, honesty, and self-deprecating humor, she makes a compelling case for the importance of women's ministry in the life of a parish, and coaches you through all the details. Used for personal formation or as a group study, this book conveys the important elements of women's ministry—from a small book club to a larger undertaking that might include social media-based prayer supports, on-call childcare helpers, or multi-committee annual festivals or parishwide events. This book will teach you: why spiritual friendships and pastoral connections are essential to the success of any women's ministry; how to build a team dedicated to prayer, simple hospitality, faith-filled catechesis, humble service, and personal outreach; and tips for handling trickier aspects of team leadership, such as conflict resolution and long-term transitional planning. Each chapter offers practical advice and inspirational stories to help you discover how to cultivate Christ-centered friendships; discern a call to women's ministry in yourself and others; invest in prayerful preparation, biblical hospitality, and faith formation; develop a leadership team; and create a mentoring plan that will sustain the group over time.

The contributors represent such disciplines as sociology, anthropology, medicine, and social work. Articles address homelessness in eight major American cities and more than 30 cities and nations around the world. Adding depth are bibliographies, a directory of street newspapers, a filmography, and more than 20 primary-source documents offering historical and contemporary perspectives."--"Reference that rocks," American Libraries, May 2005.

During her lifelong service to the poorest of the poor, Mother Teresa became an icon of compassion to people of all religions, and none. Her selfless commitment to the care of the sick and the dying, as well as to thousands of others who no one else was prepared to help, has been recognised and acclaimed throughout the world. Yet this impressive collection of her writings shows a different and unexpected picture of the Nobel Peace Prize winner. Her absolute conviction that she was doing God's will is well known but what is a revelation is the discovery that she fulfilled her mission in spite of feeling a chasm of spiritual emptiness within her, which lasted for decades. This book is a moving chronicle of her spiritual journey and it reveals the secrets she shared only with her closest confidants. It also illustrates how the experience of an agonizing sense of loss need not hold anyone back from doing something extraordinary with their lives.

Mary Poplin's chronicle of her volunteer work with the Missionaries of Charity in Calcutta provides an inside glimpse into Mother Teresa's life of service to the poor. Transformed by the experience, Poplin discovered how all of us can find our own places of meaningful work and service.
