

## *There Goes A Boat*

Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting. This is the second volume of "The 'Country Life' Library of Sport - Fishing", containing a wealth of timeless information for the modern angler. This Easy-to-digest and profusely-illustrated book contains chapters on everything from the classification of fish and equipment, to proper technique, common problems, and much more; making it ideal for the novice fisherman one not to be missed by collectors of vintage angling literature. Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this volume now in a modern, high-quality edition complete with a specially commissioned new introduction on the history of fishing.

The Hand-book for New Zealand

Agatha Raisin: There Goes The Bride

The Sailor's Magazine, and Naval Journal

Early History of New Zealand

Travels Thro Flanders, Holland, Germany, Sweden and Denmark ...

The Bobbsey Twins are the principal characters of what was, for many years, the longest-running series of children's novels. The books related the adventures of the children of the middle-class Bobbsey family, which included two sets of fraternal twins: Bert and Nan, who where 12 years old, and Flossie and Freddie, who where six. Share the stories of your childhood with your children and grandchildren! Here are the original Bobbsey Twin adventures.

Maine's nationally acclaimed chronicler proves here that "the entire history of North America began in Maine." Long before Columbus sold Isabella his idea of a passage to Cathay, Irish fishermen went ashore in Maine to dry their cod. It's all here in this wild surmising history, from a columnist for the Christian Science Monitor.

The "Country Life" Library of Sport - Fishing - Second Volume

Consisting of the Most Recent Information

*Agatha's former husband James is engaged to be married to a beautiful, young woman and Agatha has been kindly invited to the wedding. To take her mind off this, Agatha decides she has fallen for Sylvan, a Frenchman she met at James' engagement party. To distract her still further she decides upon a holiday and flies to Istanbul, where unfortunately she bumps into James and his fiancée not once but twice - convincing him she is stalking them. So when the bride is murdered on her wedding day, naturally Agatha is Suspect Number One - but then matters are turned on their head when the dead bride's mother engages Agatha to take on the case of her murdered daughter! And very soon Agatha's own life is in danger while she tries to solve the mystery of the corpse bride while fighting off (halfheartedly) the advances of a very attractive and determined Frenchman! Praise for the Agatha Raisin series: 'M. C. Beaton's imperfect heroine is an absolute gem' Publishers Weekly 'The detective novels of M. C. Beaton, a master of outrageous black comedy, have reached cult status' The Times 'Agatha Raisin is sharp, witty, hugely intelligent, unfailingly entertaining, delightfully intolerant and oh so magnificently non PC. M. C. Beaton has created a new national treasure... the stories zing along and are irresistible, unputdownable, a joy. If you buy one book a year, let it be this. Agatha Raisin is The Strongest Link' Anne Robinson 'Being a cranky, middle-aged female myself, I found Agatha charming!' Amazon customer review*

*Its 1955, and Jim Westin is ten years old, and he is having the time of his life fishing in Florence County, Wisconsin. Ten-year-old Jim catches about any kind of sporting fish that is indigenous to Northern Wisconsin while on vacation with his mom and dad and his two brothers. Forty years later Jim takes his wife, kids, grandkids and one of his brothers to Florence County to relive his childhood only to find that the fishing in Florence County isnt so good in 1995. Jim just cant catch a fish. This is the story of Jims quest to catch a fish and relive the time of his life. In 1995 Jim visits every waterway in Florence County and tries to catch a fish to get back his childhood. Jim fishes with his son Greg, his son-in-law Ted, his son Jimmy, his brother David, a shirttail relative Ron, and his spiritual side depicted as an Ojibwe Indian who*

"The Art of Big Game Fishing" is a detailed and profusely-illustrated handbook on catching large fish, with a particular focus on fishing in American waters. Although old, this volume contains a wealth of timeless information and is highly recommended for modern readers with an interest in fishing for big game. Contents include: "The Tarpons and the Gar-Fish", "Tarpon and other Big Fishes of Florida", "The Masheer and the Bola: Natural History and Classification", "Masheer Fishing", "Fishing-Rods and Tackle for Masheer". Many vintage books such as this are becoming increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in a modern, high-quality edition complete with a specially commissioned new introduction on the history of fishing.

U-Boat hunters is a novel that was first published in 1918 in the aftermath of WWI, when U-Boats were operational for the first time in war history.

***The Whale and His Captors is an important firsthand account of the golden age of American whaling, chronicling both its lore and science as practiced from the inception of the fishery to the mid-1800s. Late in the composition of Moby-Dick, Herman Melville found inspiration in Cheever and his writings that would provide the final flourishes for one of America's classic novels. After exhausting other whaling sources - Beale, Scoresby, Bennett, and Browne - Melville turned to Cheever for chapter titles and organization as well as passages that helped shape, define, and elucidate his great work. This is the first scholarly edition of The Whale and His Captors, accompanied by an introduction and apparatus that clearly elucidates Cheever's treatise on whaling and demonstrates how his writings contributed both to the course of American literature and to our burgeoning understanding of literature's engagement with the natural world.***
