The Mythology of an Abandoned City

Seekers of all ages have been inspired by the stirring message of Old Turtle, the award-winning wisdom tale of peace. Now Old Turtle returns in a timeless story of love, acceptance, and the nature of truth. Long ago, as truth descended onto earth in two: one piece landing among the people and the other blazing through the sky, the people discover the piece of truth, it gives them strength and happiness. But over time, it turns them arrogant and greedy. They do not share their truth with others. Rage on, and the earth begins to suffer. Then a Little Girl eager for change journeys to find Old Turtle, seeking the precious piece of wisdom that will mend the people's truth, making it -- and them -- whole once again. Douglas Wood's stirring and elegant fable, soulfully illustrated in luminous watercolor by Jon J Muth, offers readers of all ages inspiration, hope, and a healing vision of peace.

From picture books to chapter books, YA fiction and nonfiction, Nancy Pearl has developed more thematic lists of books to enjoy. The Book Lust audience is committed to reading, and here is a smart and entertaining tool for picking the best books for kids. Divided into three sections—Easy Books, Middle-Grade Readers, and Young Adult—Nancy Pearl makes wonderful reading connections by theme, setting, voice, and ideas. For horse lovers, she reminds us of the mainstays in the category (Black Beauty, Misty of Chincoteague, etc.) but then in a creative twist connects Mr. Revere and I to the list. In a list called Chapter One, she answers the proverbial question: which chapters books are the most compelling for kids who are now ready to move beyond picture books. And who says picture books aren't deep? Recommended Folk Tales sort out many of life's dilemmas and issues of good and bad; a selection of picture books on Death and Dying introduces this topic with sensitivity; and You've Got a Friend offers up books for early readers that show the complexities and the pleasures of relating to others. Parents, teachers, and librarians are often puzzled by the unending choices for reading material for young people. It starts when the kids are toddler and doesn't end until high-school graduation. What's good, what's trash, what's going to hold their interest? Nancy Pearl, America's favorite librarian, points the way in Book Crush.

The Teacher's Calendar, School Year 2007-2008

This adaptation of a Chinese folktale begins with a man's dissatisfaction with his life. Weary of being a stonecutter, he becomes many things in his quest for authority, each time finding that greater power lies elsewhere. Rooted in Taoist principles, Stonecutter is a story about the nature of power and the value of accepting who you are. Originally published in a limited, fine art edition and long out of print, this is one of Jon J Muth's most heartfelt and exquisite works, and a book he entrusted to Feiwel and Friends to reach a wide new audience.

Start your engines: the race is on! And Mama Lion and Tigey are off -- with their cool goggles and snazzy sports car! Racing teams gather from far and wide for this madcap race. But who will win the trophy cup? Will it be the playful Flying Pandinis? The mischievous Knitted Monkey Crew? Or will Mama Lion and Tigey speed past the finish line in first place? As Tigey says, "winning is winning," but sometimes the journey itself -- filled with ineffable moments of mystery, beauty, and joy -- is even more fun than getting the prize. With cars inspired by the early days of Italian motor-racing and characters based on his children's beloved toy animals, Jon J Muth has created a uniquely spellbinding book young readers will return to again and again.

Stillwater, the beloved Zen panda, now in his own Apple TV+ original series! Stillwater the Panda returns in a delightful companion to his Caldecott Honor Book, Zen Shorts. Summer has arrived -- and so has Koo, Stillwater's haiku-speaking young nephew. And when Stillwater encourages Koo, and his friends Addy, Michael, and Karl to help a grouchy old neighbor in need, their efforts are rewarded in unexpected ways. Zen Ties is a charming story of compassion and friendship that reaffirms the importance of our ties to one another.
